Earl Monroe Legacy Weekend January 16-17, 2015

The proud history of Winston-Salem State University basketball will be on full display January 16-17, 2015, as the WSSU Department of Athletics is proud to announce The Earl Monroe Legacy Weekend. The Earl Monroe Legacy Weekend will be held in conjunction with the Lady Rams/Rams basketball games versus St. Augustine's University.

This year's Legacy Weekend will be the third time WSSU has held Legacy Weekend. In celebration of the rich and storied history of WSSU basketball, some of the top players in school history will be honored for successes both on and off the court.

Among the other activities for the weekend will be an Alumni Game on Friday evening that will feature former WSSU players. Highlighting the weekend will be a jersey hanging when the legends of Winston-Salem State University basketball will be honored with replicas of their jerseys being hung in the C.E. Gaines Center for all to see.

Another highlight of Earl Monroe Legacy Weekend, is the alumni All-Star game on Friday night. The game is a great experience as former Rams and Lady Rams who get a chance to make a proud return to Winston-Salem State University. It has been a huge success with current and former students of Winston-Salem State University crowding into the C.E. Gaines Center to see players from the 1970s, 1980s, 1990s and 2000s take the court once more. The game is a tremendous experience not only for the fans, but also for the players who get a chance to see the growth and development of their proud alma mater.
