really need a \$60 million plane with the obvious needs of the community? John applauds them for their care. The tone of the letter changes at verse 9 as he addresses Diotrephes' (die OTT ruh feez) behavior. You see, this believer in the church rejected John's teachers and stopped others from being hospitable toward them. It appears that this church leader lost his love and compassion for others as he carried out his responsibility. He bad-mouthed them in an attempt to discredit their message. It seems that he is selfish. Some say that he was only carrying out John's advice in II John. That doesn't fit the elders' harsh words. The believers are cautioned to follow the good example (Gaius); not the bad one. Demetrius, also in the congregation, is pointed out for his hospitality and good reputation. There is so much more to be said, but John says that he will visit them soon to finish this.

**Life's Lesson:** Most of us have had role models in the church. They encourage us as well as set a standard for our daily lives. It is important to remember that Jesus only was perfect. Role models are good but they are human with flaws. "Walking in truth" means that we know the Word; believe it; and attempt to live it daily. We must also be able to separate culture from God's minimizing deception. Yes, there will be times that we are fooled but correct it as soon as you know what is going on. Let's not get caught up in self that leads to selfishness. Instead recognize that each of us is commissioned by God for His work. Acknowledging others gifts takes nothing from you. It's not enough to seek good role models; it's imperative to become one! We have no idea who is watching us.

**CHARACTER, ETHICS, MORALS AND VALUES... DEFINED**

**What is Character?**

The action you take to carry out the values, ethics and morals that you believe in.

Consistency between what you say you will do and what you actually do.

Putting the ethics into action.

Defines, builds, or breaks your reputation.

Moral strength. It takes moral courage to do what is right when it may cost more than you are willing to pay.

Who you are and what you do when no one is looking.

"What is wrong is wrong, even if everyone is doing it. Right is still right, even if no one else is doing it." - William Penn

**Ethics:**

Define moral rights and wrongs. Transcend culture, ethnicity, and are relevant to all socioeconomic conditions.

Are the should and ought of life.

**Morals:**

Are ethical principles  
Founded on fundamental principles of right conduct rather than legalities.

Morals are always the same. Immorality varies from generation to generation.

**Values:**

Refer to all important beliefs.

Not all are ethical, some are neutral or non-ethical.

Stated; what we say, and Operational; what we do.

"Character is not reflected by what we say, or even by what we intend, it is a reflection of what we do." - Anonymous
