Food vendors and exhibitors are also needed. For more information, please visit the website: www.triadculture.org or call 336-757-8556.

Three Triad elementary students win honors at WSSU Math Invitational

SPECIAL TO THE CHRONICLE

Three students from area elementary schools took honors in the fourth annual regional Elementary Mathematics Invitational (EMI) hosted by the Winston-Salem State University Center for Mathematics, Science and Technology Education and the WSSU Department of Mathematics as part of the North Carolina Science Festival.

Eva Murea, a fourth-grader at Brunson Elementary School in Winston-Salem, took first place in the competition. Ghazal Mirzazadeh, a fifth-grader also at Brunson, came in second and Cintong He, a fourth-grader from The Academy at Lincoln in Greensboro, was third.

The EMI is designed to stimulate interest in mathematics and provide recognition for outstanding elementary mathematics students.

In addition to the competition for fourth- and fifth-graders, there was a family math session for the parents of contest participants to provide them with math activities to use at home.

Dr. Vincent Snipes and Dr. Pamela Moses-Snipes of the WSSU Department of Mathematics co-chaired the EMI program.

In addition to the competition, experts in the fields of science and mathematics spoke about their careers, the integration of STEM (science, technology, engineering and mathematics) in their professions, and the STEM connections to everyone's daily lives.

(L-R) Dr. Vincent Snipes, mathematics professor and director of the Center for Mathematics, Science and Technology Education at Winston-Salem State University; Eva Murea, a fourth-grade student at Brunson Elementary School in Winston-Salem who won first place; and Dr. Pamela Moses-Snipes, secondary mathematics education coordinator at WSSU.
