Lesson: Amos declares to Judah that their sins are catching up with them. They have rejected The Law due to their worship of false gods. God will send fire to Jerusalem (Judah's capital) that will destroy their military might. That prophecy will be fulfilled in 586 BC. Traveling to Israel, the prophet delivers a similar message. Their sins are numerous as well. In verses 6-8, he names a few of them. He calls out the judges, the creditors, and the rich who pervert justice. In verses 7-8, most scholars interpret this as temple prostitution. Some commentaries excluded verses 9-16. Israel is consumed with greed and selfishness. The prophet reminds them of God's previous actions on their behalf. The prophets and the Nazirite are gifts to

them to care for their spiritual needs. What do they do? They silence the prophets and treat the Nazirites badly. No matter their strength and power, God's judgment is coming and they have no defense! In 722 BC Israel will fall to the Assyrians.

Life's Application: We are exactly like Israel in the north and Judah in the south. They do what they want, knowing that it is wrong and expect God to continue to bless them. Unfortunately, some of us think that having our names on the church roll gives us "one up man ship" over others. God has a standard that believers are to live by - no exceptions! Is God pleased with our behaviors and attitudes? Examine the man in the mirror. Does greed and selfishness call the shots? We will delve into our answers as the quarter progresses. Don't be fooled. His judgment will come to us one day just like it came to Israel and Judah.

World Blood Donor Day is June 14

SPECIAL TO THE CHRONICLE

2767).

The American Red Cross seeks eligible donors to give blood in honor of World Blood Donor Day, June 14, and throughout the summer to help ensure a sufficient blood supply for patients in need.

Summer is an especially difficult time to collect enough blood to meet the needs of hospital patients. Many schools that host blood drives are out of session during the summer, and regular donors are often vacationing, potentially making them less available to give.

World Blood Donor Day highlights the constant need for donors - during the summer and throughout the year.

Supermodel Niki Taylor, the celebrity spokesperson for World Blood Donor Day, fully understands the importance of blood donations. In 2001, she was in a near-fatal car accident and received about 100 pints of blood. To this day, she attributes her survival to the blood donors and doctors who helped save her life.

Those who come to donate blood with the Red Cross Monday through Sunday, June 8-14, will receive a limited-edition Nexcare give bandage in one of eight global-inspired designs in honor of World Blood Donor Day.

Eligible donors are encouraged to choose their day to make a difference. Donors of all blood types - especially those with types O negative, A negative and B negative - are needed.

To make an appointment to give blood, download the Red Cross Blood Donor App, visit redcross-blood.org or call 1-800-RED CROSS (1-800-733-
