**Cracking up**

Winston-Salem's Omar Narvaez breaks the bat at the point of impact late in the matchup against the Wilmington Blue Rocks of Wilmington, Delaware, at BB&T Ballpark in downtown, Winston-Salem on Wednesday, June 10. The Blue Rocks would prove to be too much of an offensive threat as they would easily cruise to the finish line over the Winston-Salem Dash by a final score of 11-5.

**Kevin Troup has been hired to take over Salem volleyball program**

SPECIAL TO THE CHRONICLE

The Salem College director of athletics, Melissa Barrett, has announced that Kevin Troup has been hired to take over the volleyball program.

Troup takes over for Dana Wall, who announced her retirement in February. Troup will oversee a program that is coming off of its second Great South Athletic Conference Tournament Championship and trip to the NCAA Division III Tournament.

"Coach Troup will be an excellent addition to the athletics staff," said Salem

College director of athletics, Melissa Barrett. "His volleyball experience and local recruiting connections are assets that will help continue the Spirits' momentum as a championship level NCAA Division III program."

Troup has several local ties to volleyball in the Piedmont-Triad. He is currently a head coach for an under 17 team for the Champion Volleyball Club. He also is a head coach and assistant director of coaching for the Beach South Volleyball Club.

For the past two years, Troup has worked at R.J. Reynolds High School. This year he was the head coach for the varsity pro-

gram. He also coached a beach club program at the high school. Before Reynolds, Troup was an assistant coach at Winston-Salem State University for three years, during their transition into the NCAA Division I.

Salem College is a member of the NCAA Division III and Great South Athletic Conference. The Spirits will begin to play in the USA South during the 2016-2017 school year.

Salem College, a liberal arts college for women, values its students as individuals, develops their unique potential and prepares them to change the world.

**Special Olympics, YWCA to hold 'Superhero Spectacular' weekend**

SPECIAL TO THE CHRONICLE

Special Olympics Forsyth County is partnering with the Gateway YWCA to hold a "Superhero Spectacular" weekend on Friday and Saturday, June 26-27, that will include races and a Zumba party to support Special Olympics athletes.

All proceeds for the events will go toward providing Special Olympics athletes one-year memberships to the Gateway YWCA.

Weekend events start with a Zumba party from 7 to 10 p.m. Friday, June 26. Tickets are \$10 and food, merchandise and agency vendors will be on hand.

Saturday, June 27, there will be a one-mile fun run/walk and 5K and 10K races. Registration for

these events is \$15, \$40 and \$45.

Every 5K and 10K registration will provide a one-year membership to the Gateway YWCA, said Lisa Kiser, the local coordinator for Special Olympics Forsyth County. "We're urging everyone to come dressed as their favorite superhero and 'fly' through our one mile, 5K or 10K races."

Kiser adopted the superhero theme for the weekend because, "We are all heroes to someone. The athletes of Special Olympics Forsyth County are heroes to me every day in some way. I want to make sure that they are encouraged to be strong and brave to overcome the day-to-day battles they face. Heroes also come from our coaches and volunteers. They empower our

athletes to be their best."

To register for the race, visit [CityofWS.org](http://CityofWS.org) and search for "Special Olympics." To sponsor an athlete for a one-year membership without registering for the race, contact Kiser at 727-2425 or [lisak@cityofws.org](mailto:lisak@cityofws.org).

Special Olympics Forsyth County provides year-round sports training and athletic competitions in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and share friendships.

Because Special Olympics does not charge athletes to train and compete in Special Olympics, local programs are responsible for covering the cost.
