## JV FOOTBALL

### So far, so good for West Forsyth in JV football

**"Even when we were down, there was no sulking, no finger pointing."**

Coach Jared Lane of West Forsyth.

BY CRAIG T. GREENLEE FOR THE CHRONICLE

Only time will tell if this proves to be a special kind of JV football season for West Forsyth. Entering today's home game against High Point Central (Sept. 17, 6 p.m. kickoff), the Titans are 3-0 and showing much promise.

In the coming weeks, this team figures to be pushed to its limit when it begins Central Piedmont 4-A Conference play. CPC rivals Reagan, Reynolds, Mount Tabor, North Davidson and Davie, will

all get their opportunities to derail West Forsyth.

Up to now, West Forsyth has served notice with early-season victories over East Forsyth and most recently, Statesville.

In beating East Forsyth 41-33 two weeks ago, the Titans hammered the Eagles with their bullish ground attack. Mack Duke was close to unstoppable with 250 rushing yards and four touchdowns. The following week, West Forsyth's resolve was thoroughly tested in a 28-20 comeback win over previously undefeated

Statesville.

At the start of the fourth quarter, the Titans trailed the Greyhounds 20-6. But they rallied to pull it out with a 22-point explosion over the final 10 minutes of play. The clincher came with 15 seconds remaining in the contest.

On fourth-and-goal, Drew Latham rolled left on a bootleg and fired a five-yard touchdown pass to Jamon Brown. On the PAT kick attempt, Latham bobbled the snap from center, but picked up the ball and

Weird. That's probably the only way to adequately describe what took place between Mount Tabor and Glenn in a junior varsity football game played last Thursday in Kernersville.

The Mount Tabor Spartans knocked the Glenn Bobcats from the ranks of the unbeaten with a 26-12 victory. The final score, though, doesn't reveal much about how this game actually played out.

# 26-12

For starters, kickoff was delayed for 45 minutes because of the threat of thunder and lightning. Field conditions were far from optimal due to a downpour that lasted for a little over two hours. The turf held up well and there were no mud puddles. As things turned out, it was

Glenn that never fully adjusted to the damp conditions on its home field.

"I'm happy to get the win, but with the way we played, I can't really enjoy it," said Coach Tiesuan Brown of Mount Tabor. "The way the we played tonight just won't cut it when we start conference play in the coming weeks."

Mount Tabor (2-1) owned the first half and built a convincing 20-0 cushion by intermission. Glenn, on the other hand, seemingly did everything in its power to self-destruct. Four lost fumbles gave the visitors excellent field

### Reynolds falls short in JV loss to Southern Alamance

BY CRAIG T. GREENLEE FOR THE CHRONICLE

Even though the Reynolds JV football team has yet to taste victory, optimism abounds.

The Demons played better than the final score indicated in the season opener (36-12 defeat to East Forsyth). And, there are strong indicators that a 16-13 road loss to Southern Alamance last Thursday should bode well for the immediate future.

Prior to this game, neither team had any idea that they would be participants in a football marathon. Thunder and lightning strikes caused two weather delays. So, the game that was scheduled to start at 7 p.m. didn't get underway for good until about 9:15.

Even then, there were agreed-upon changes that may have had some impact on the final outcome. Prior to play resuming after the second weather delay, the teams opted
