Carver builds momentum with back-to-back wins

Carver is on full steam-roller mode in junior varsity football.

Coming off a lengthy period of inactivity, the Yellowjackets have shown no signs of rust. That's somewhat surprising when you consider that Coach Alonzo Winfield's team

didn't play for 38 days because of games that were postponed due to inclement weather.

Over the past two weeks, Carver (4-1, 2-0 Western Piedmont 2-A Conference) has dominated the opposition. Most recently, the Yellowjackets posted a 38-13 victory over North Surry on last Thursday.

scoring party started when he returned the opening kickoff 80 yards for the first of his two touchdowns for the game. The special teams contributed when B. Purnell blocked a punt and Jeremy Brown-Middleton picked up the loose ball and ran it back 50 yards for another score.

A week prior to the North Surry contest, Carver hung a 40-0 whip-

ping on Surry Central. T.J. Boyce and Legette scored two touchdowns apiece in that contest.

After suffering a 30-point loss to Greensboro Dudley in the season opener, the Yellowjackets have taken giant strides in establishing a team identity that seems to be a good fit for their personnel.

Unbeaten West Forsyth Titans handle Spartans for win No. 7

In a much-anticipated match-up of top contenders in junior varsity football, West Forsyth continued its trek down victory lane. This time, the end result produced a workmanlike 21-6 road victory over Mount Tabor on last Thursday.

The Titans, now 7-0, were held far below their scoring average of 38.2 points per game. In this case, it didn't matter because the defense had its best outing of the season. West Forsyth kept Mount Tabor off the scoreboard until midway through the fourth quarter.

Coach Jared Eure of West Forsyth was elated with the outcome and applauded his team's execution on both sides of the football. Even so, he declined to agree that his defense came up with its best performance this fall.

For the game, the Titans had four quarterback sacks (three by Alexander Garrett) and two interceptions (Davis Bishop and KeAndre Buyna).

"Was it our best? I'm not sure," said Eure about a defensive unit that gave up an average of 23.2 points over the first six games of the season. "Up until late in the game, we

In most instances, rivalry games tend to bring out the best in teams. Such was the case for East Forsyth in its 49-30 win over Glenn last week. The Eagles soared from the very start and finished with 350 total offensive yards and a season-high for points scored in a single game.

21-16

It didn't take long for this annual "Battle of Kernersville" to turn into a one-sided affair. East Forsyth bolted out of the starting blocks to build a 21-6 halftime lead and never looked back.

"I'd say we had a thorough night on both sides of the ball," said Coach Ronnie Horton of East Forsyth, whose team is 5-2 overall and 2-0 in the Piedmont Triad 4-A
