Timeless Words from Dr. Martin Luther King, Jr.:

"The limitation of riots, moral questions aside, is that they cannot win and their participants know it. Hence, rioting is not revolutionary but reactionary because it invites defeat. It involves an emotional catharsis, but it must be followed by a sense of futility."

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."

"We must learn to live together as brothers or perish together as fools."
