

TOWARD A MORE PERFECT UNION

Since 1978, the Winston-Salem Human Relations Commission has promoted the principles championed by Dr. Martin Luther King Jr.

We are proud to sponsor the Young Dreamer's Award, Cultural Inclusion Month, the Student Human Relations Awards, and other events that further Dr. King's vision of a society in which all people are treated with dignity and respect.

Dr. King had a dream. So do we.
Won't you join us?
