Vannoy Const. invites you to bid part(s) of the above referenced project: This project requires specific participation by subs that are certified by NCDOT as a WBE/MBE/DBE firm.

As a responsible contractor, we will aggressively pursue M/WBE sub participation in excess of the min. requirements. All subs need to make an effort to solicit M/WBE participation. We are soliciting companies listed in the NCDOT DBE Directory who are certified & prequalified subcontractors. If you are interested in this project but discouraged by any of its requirements, please contact us. We have special joint pay agreements and even an expedited payment policy for DBE firms, and we encourage you to contact us to discuss how these procedures can help you on this project. If the bonding, letter of credit or insurance requirements set forth in the bid documents would otherwise prevent you from soliciting a quote please contact us and we will discuss ways that we may be able to help you meet these requirements. Likewise, if you are discouraged from submitting a quote on this project because you think you may have trouble obtaining the necessary equipment, supplies, materials, or any other related assistance or services that may be necessary to complete the work, please contact us and we will discuss ways that we may be able to help you overcome these obstacles. We adopted these policies to encourage the participation of DBE firms like yours, and we encourage your company to explore and take advantage of them; so please feel free to give us a call in these regards

A meeting has been scheduled for May 6th at 10:00 a.m. at 1608 Hwy 221 N. Jefferson, NC for anyone who is interested to ask questions, etc.
