Bishop Todd Fulton Community Service Award

Bishop Todd L. Fulton is a self-motivated advocate for the poor, for hungry, the voiceless, the marginalized, and the unjustly treated. His focus does not deviate, but holds true to his personal mission of Godly service through social justice ministry, food justice ministry, education ministry, faith health ministry, and economic ministry.

With Bishop Fulton's leadership, the Ministers' Conference of Winston-Salem & Vicinity has accomplished many goals, such as the Winston Lake YMCA Community Garden with the collaboration of the NC Cooperative Extension Forsyth Center and Master Gardner Vernon Switzer. He worked with the District Attorney's office on the Third Thursday Community Outreach Program, which helped nearly 2000 people to get their driver's licenses back and eradicated over \$300,000 in fines. He organized a fundraiser that raised \$5000 for the WSSU Gap Fund and has partnered with the Winston-Salem Chronicle MLK Jr. Day prayer breakfast, which raised \$10,000 (largest amount in one year) for the Martin Luther King Jr. Scholarship Fund, which will provide \$1,000 scholarships to ten college-bound students in our community.
