Viking punt was blocked, setting up first down at the 16-yard line and Reagan scored another touchdown. making the score 19-0.

With time running out in the fourth quarter, North Forsyth quarterback Marquez Hurst hit wide receiver

Brandon Davis with a quick hitch pass and Davis made one man miss and he was off to the races with an 80-yard touchdown catch bringing the score to 19-6. That would be the last time they had the ball as Reagan recovered the onside kick and ran the clock out winning the game by the same score.

"We preach defense and defense wins ball games and that's what we are hanging our hats on. In the game of football defense is the more aggressive side of the ball and

we ride with that and the guys focus on that and offense will catch up but we have work to do," says McCoy.

Stewart wants to build off of the performance of the defense and wants his team to clean up their penalties on offense. He says he saw some things he liked that his staff will look at on film before they take on Carver in next week's matchup. Reagan takes on East Forsyth next week.

we were. Offensively we are catching the ball better, we just got o be able to run the ball better. We have to help our defense out and not keep them on the field most of the time."

Herring said their game plan going into today's game is to just focus on his own team. He says the coaching staff hopes they have prepared their team well enough during the preseason and summer.

"Mt. Tabor is a good team, they are a solid team. They are always a big team and we are not the biggest kids on the block so we are going to have to come out and be on our A game offensively, defensively and special teams. We can't afford costly turnovers and defensively they just have to continue performing strong like they have the last two games.

Mt. Tabor JV head coach Mike Lovelace says he knows Glenn is a tough team and looks forward to the game. He says he was happy with the Week 1 performance of his team against Reagan. He is looking forward to his team playing after the long layoff of the last two
