So go and run free with the angels,  
Dance around the golden clouds.  
For the Lord has chosen you to be with him,  
And we should feel nothing, but proud  
Although he has taken you from us  
And our pain a lifetime will last,  
But make us glad for the time we did have  
Your face will always be hidden,  
Deep inside our hearts,  
Each precious moment you gave us  
Shall never ever depart.  
So go and run free with the angels  
As they sing so tenderly  
And please be sure to tell them  
To take good care of you (all) for us.  
We miss all of you, so very, very, much.

We the Roseboro-Griffin families are happy that you have understood our loss and demonstrated your friendship. You have felt our loss and offered your prayers.

You have seen our need and rendered your love. We are eternally grateful for your gifts of friendship, prayers and love during this difficult period of love and loss.
