## Reynolds tops E. Forsyth in nail biter

BY TIMOTHY RAMSEY  
THE CHRONICLE

When Reynolds visited East Forsyth for their JV soccer match, it was the toughest game of the year, according to Demons head coach Tommy Vlachos.

East Forsyth lived up to that billing as they fought Reynolds tooth and nail all game long.

Both teams' defense was very sound and active as they stopped any offense from either side. During the first half of play, neither team was able to crack the opposing team's defense as the first half of play ended 0-0.

Coach Vlachos says his team seemed timid at the

beginning of the game but began to open up as the game went on. He said it was nice to be able to "come out of there with a win" especially against such a quality opponent.

"I think we played a really good team and they might be the best team we have played all year, no disrespect to any of the other teams we have played," said Vlachos. "I thought we played well in the second half and there were a few times I thought they were going to score because of their good attacking players. Tonight they were able to do enough to get a shutout."

In the second half, Richard Morga was able to break the 0-0 tie when he scored on a rope from 20 yards out to

## Mt. Tabor cruises to win against Reagan again

BY TIMOTHY RAMSEY  
THE CHRONICLE

Last week's matchup between Mt. Tabor and Reagan was a rematch of a game the two teams played earlier this season. Mt. Tabor walked away with a 21-7 victory back in August and Reagan aimed to walk away with a victory this time.

Unfortunately Mt. Tabor had other plans as they easily defeated the Raiders 41-12.

Before the two teams engaged in their rematch, some of the players on both sides had a little trash talk back and forth, but the players from Mt. Tabor said they wanted to do most of their talking on the field. Early in the game, nerves seemed to get the better of the Spartans and they committed three turnovers in the first quarter. Reagan was not able to capitalize on the Mt. Tabor miscues as the

# 41-12

score after the first quarter was 7-0 Spartan lead.

The second quarter was a different story as Mt. Tabor settled down on offense and was able to establish their running game with quarterback Rashad Hague, who scored three touchdowns, and some dynamic plays from Jaquan Albright, who scored twice himself. Albright would have scored more but had two touchdowns called back because of offensive penalties. Mt. Tabor head coach Mike Lovelace was happy with how his team was able to bounce back from early adversity. He was also pleased with the offensive performance of his team, especially with playmaker Zyquez McMillian not playing. "I thought we played well. In the first quarter, we turned it over three times, but I think all in all we continue to get better each week. Coach Brown has done a great job with the defense, and offensively we are just starting to click," said Lovelace. "One of the things we've preached to them is make sure we get to the next play and don't worry about what has happened in the past. Our guys believe right now and they're having fun, and that's what high school football is all about."

## Reynolds, Parkland JV ready to rumble

BY TIMOTHY RAMSEY  
THE CHRONICLE

Heading into tonight's game against Reynolds, the Parkland Mustangs are looking to bounce back from last week's demoralizing defeat against West Forsyth, where they were beaten 41-8.

Reynolds, on the other hand, is looking to stay undefeated as they squeaked by Davie County by the score of 14-12.

Parkland was looking to avenge an earlier season loss to the Titans of West Forsyth and were confident they would be able to compete and possibly win. The addition of key linemen who were ineligible to play because of lack of practice time along with running back Zyheir Dillard coming back from injury made Parkland coach Brendan Atwater excited for a chance to face the Titans at full strength.

## Flat Rock battles Kernersville Middle down to wire

BY TIMOTHY RAMSEY  
THE CHRONICLE

With only two practices under their belt and heading into their first game of the year, the Kernersville Middle school boys soccer team had a few unanswered questions about their team as they took on Flat Rock Middle in a non-conference matchup last Tuesday, Sept. 20.

Kernersville fought hard throughout but fell to Flat Rock 4-2. Early on in the game, neither team was able to establish any sort of constant pressure. Both offenses looked for openings but the defenses from both sides were strong. As the half progressed, Flat Rock was able to push the ball forward into Kernersville territory and had a few shots on goal. The Kernersville goalie was able to make several saves
