East Forsyth Middle overwhelms Prep soccer team in second half

BY TIMOTHY RAMSEY
THE CHRONICLE

Winston-Salem Preparatory Academy fought hard against the Ravens of East Forsyth Middle in last week's soccer match. The Phoenix held strong throughout the first half of play, but East Forsyth would not let off the gas and left with a 6-3 victory.

The Ravens opened the game by controlling the ball early on, putting shots on goal. They were able to crack the scoreboard with a goal from Angel Aguilar. Prep was able to even the score at one with a goal from striker Anthony Hernandez. Following the goal by Hernandez, the two teams stepped up the defensive intensity, not allowing another goal for the rest of the first half.

Dwayne Leach, Winston-Salem Prep JV head coach, said his team gave a good effort but conditioning may

have come into play late in the first half.

"I think the team played very well. Our first game was Tuesday and we let a couple of goals go in but this time we had a strong first half and the guys got forward a lot more, feeding our strikers," Leach said.

Hernandez struck again at the beginning of the second half, scoring his second goal of the night. The goal seemed to wake the Ravens offensive players up as they quickly scored the equalizer. Lyeen Pastrana was able to tie the game once again at two.

The Ravens then scored three unanswered goals, putting them comfortably ahead 5-2. The Phoenix attempted to mount a comeback but the Ravens defense was stifling in the second half.

Ravens head coach Amber Day says her team was beaten soundly by the score of 9-2 the week prior and they

Reynolds stays undefeated after tough win against Parkland

BY TIMOTHY RAMSEY
THE CHRONICLE

The JV clash between Parkland and Reynolds lived up to all of the pregame hype surrounding it. With both teams calling Deaton Thompson Stadium home, both teams had large crowds come out to cheer them on. The Demons were able to triumph 35-22, but the game was closer than the score may indicate.

Parkland started the game off with a little trickery by kicking an onside kick and recovering the ball on the initial kick off of the game. Though catching Reynolds off guard, the Mustangs were not able to score any points off of the early gift.

Reynolds stuck to their bread and butter by running the ball as they have all sea-

son long. Shaheim Revel and Desmond Hood ran hard all game long. The Demons were able to score first when quarterback Mysta Goodloe completed a nine-yard touchdown pass to Tobias Johnson off of a well-executed play action to put them up 6-0.

Parkland's dynamic running back Zyheir Dillard was kept under wraps by the Demon defense early as he was not able to find much daylight. He was able to break loose later in the quarter and led the Mustangs down the field, where they were able to score a field goal to make the score 6-3 to end the first quarter.

Parkland head coach Lamont Atwater says his varsity coaches have been working with Dillard in order to get him to run

Atkins vs. Glenn JV game cut short due to lightning

BY TIMOTHY RAMSEY
THE CHRONICLE

Playing football in the elements is an aspect that makes the game different from most others. With rain in the forecast prior to the game between Atkins and Glenn, it had the makings of a sloppy game and a sloppy game is what ensued. The Bobcats were able to fight through the
