Several Cases Disposed of Changes in the Protestant Minority Report

(By The Associated Press.)
Louis, Mo., Cer., 16.—Hilming-of the word "obey" in the marlage service was recommended in a inority report of the joint con sion on common prayer submitted to the house of deputies of the Protest-ant Episcopal general convention here

oday. The house of deputies referred back to the commission all proposed changes in the marriage ceremony, in the catechism, and in the insti-tution of clergymen, and these quesone cannot come before the ge onvention again for three years. The minority report recommend

that the present injunction beginning "wilt thou obey him and serve him." be changed to "wilt thou love him.

all my worldly goods I thee endow. anteed and that today the question rranted.

ogether."

Many regard the reference to the

r faithful. Changes suggested in the majority eport included shortening the Ten commandments as read in the comnion service and the elimination

Bishop Lawrence said two thirds of the proposed \$5,000,000 reserve fund for a pension system for the und for a pension system for the dergy had been given in cash or

Additing of church accounts by "out side bookkeepers" was recommended in the report of the joint commission on business of the church.

At present, because of the overlapping fiscal years of different churches and dioceses, and because of other defects of system, the commission says no one can tell, within many millions of dollars, what the church received or expended during

h last calendar year. A uniform fisal year was suggested.

A report of a joint commission recminending the permissive use of a
lew hymn in the service was adopted
by the house of denuties. In submitting the report. Robert C. Pruyn,
of Albany, N. Y., asserted that it was
accessary in the interest of conciseness to cut the number of hymns
from the 579 contained in the old
dymnal to 550. The Rev. C. B. Bryan,
of Petersburg, Va., urged the elimination of two hymns in the new hymnal
on theological grounds but the mon theological grounds but the moon was tabled.
