Prospectus.
THE PUBLICATION OF THE NORTH CAROLINA PRESBYTERIAN will be resumed in Fayetteville, on Wednesday, the 2nd of January next.
Confidently relying on the hearty support which we have heretofore received, we shall endeavor to render the paper more attractive both in appearance and matter, than it has ever been, sparing neither pains nor expense in the accomplishment of this purpose.
With the passing away of old things, a new spirit of activity, energy and enterprise, has been infused into every department of secular thought and business. Why should not the church, also, partake of the progressive advancement? Why should she, of all the agencies, brought to bear with such tremendous force upon the civilization of the present time, be inefficient, laggard and almost useless, in the working out of her own destiny?
To arouse the church to the importance and necessity of work of unceasing, restless, tireless energy in the service of her Master and God; this shall be our first chief aim. In this we need assistance. We are not alone sufficient for these things. Our brethren must help us in every way; by contributions from their pockets, and by their prayers, and by their co-operation in a common cause, for the benefit of all; by extending our circulation throughout all our borders, and thus giving the means and opportunity of performing all the work to which we have consecrated all that we have, and all we hope for on the earth.

THE SUNDAY SCHOOL BANNER.
A NEW ENTERPRISE!
The undersigned, themselves members of the Sabbath School, propose to commence in the city of Raleigh, on or about the 1st of next May.
"THE SUNDAY SCHOOL BANNER."
And in the commencement of this little work of love, being boys ourselves, may we not appeal to every Sunday School boy, and girl in North Carolina to come up promptly to aid the undertaking. In our own State, there are very many Sabbath Schools, and from the best information we have, the scholarship is large and increasing, and it is from them we look for that patronage which is necessary to improve and keep floating, this native standard which we propose for their benefit. Its name sufficiently indicates the object which is to control its editorial conduct. There is necessity however for the remark that it will not be denominational, but alike open to all the Sabbath Schools of this State for contributions, in which there is no spice of sectarianism.
The "BANNER" will be issued monthly on handsome type, clear white paper and will contain fourteen columns reading matter, quarterly length.
We trust sufficient encouragement may be offered to justify the undertaking.

A THOROUGH FAMILY MEDICINE!
Great Oaks from Little acorns Grow.
The worst diseases known to the human race spring from causes so small as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.
Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close. Maggell's, Bilious, Dyspeptic and Diarrhetic Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggell's Salve is infallible. Sold by J. PROSPECTUS OF THE RUTHERFORD STAR.
The undersigned propose to publish, in the city of Rutherford, a weekly Newspaper to be called "The Rutherford Star."
It is our desire to make The Star a welcome visitor to all those who feel an interest in the prosperity and welfare of our country as a whole, and the perpetuity of our institutions, as handed down to us by our noble ancestry, a Federal Republican Government.
Our people have but lately emerged from a gigantic civil war, waged by and between Sections of a once glorious Union, and more desolating to our particular section, than anything that has ever happened on this continent, and it is to be hoped, than ever will again.
While there is life there is hope, and notwithstanding the great changes wrought by the late civil war, we shall encourage the people to honesty, industry and economy, we shall take special pains to keep them posted with all beneficial improvements of the age, so that they may once more enjoy bountiful stores, property and happiness.
We shall from time to time publish such laws, both State and National, as our people are directly concerned in, and shall likewise use our influence to establish a sound circulating currency, so much needed at the present time.
We shall be governed by principles and not men, for according to our honest conviction, the present condition of our country is owing to the abandonment of principles, we mean the abandonment of those fundamental principles upon which the Government of the United States was reared.
We shall favor and encourage the development of all our resources, Agricultural, Mineral &c., and likewise such internal improvements as will most likely be beneficial to the Country, and especially the extension of the Wilmington, Charlotte and Rutherford Railroad west.
As to Politics we are True Conservatives, believing neither in the Fire Eaters of the South, nor the Radicals of the North, but in the Constitution, the Union, and the enforcement of all Constitutional laws, whether State or Federal, and a ready and willing obedience to the same.
This Star will be published every Wednesday at the following rates, (strictly in advance) payable in currency or produce at market prices.
