The Philadelphia Convention.
Gov. Orr has issued an address in his capacity of "Vice President of the Union Club of South Carolina," in which he urges the people of that State to appoint delegates to the Philadelphia Convention. Of the call under which the Convention is to assemble, he says:
"The address states clearly the principles upon which we are expected to act in common, and it seems to me that there is not one to which this State cannot subscribe in honor and with sincerity. We simply recognize those results which the events of the late war have placed beyond the bounds of any future political discussion, results in which we have unanimously and sincerely acquiesced, and in conformity to which we have already modified our Constitution, our legislation, and our political sentiments."
Commenting on Gov. Orr's address, and upon the general topic, the Charleston Courier says: "It is proper that delegates fresh from the people 'should meet in conference, and burying all past issues, should, with a moral power which would sweep the country in favor of harmony, in favor of a restoration in spirit and in truth, proclaim that the foundations of our political system should be in accord with those principles of Republican liberty which have rendered the fathers of the Constitution immortal."
Hon. B. H. Hill, of Georgia, also advises the sending of delegates to Philadelphia.—He talks about the war having been one between "extremists" on opposite sides, while he has always been a compromise man.—Taking the call not upon its terms, but upon his own construction of it, he says:
"I understand the Philadelphia movement is for a Union of Equals according to a Constitution made by all and administered by all for all, and therefore, I approve it."

Memphis, July 13.

THE POSTAGE LAW.
For the convenience of our readers, many of whom are unacquainted with the present postal laws, we extract and prepare the following from the existing regulations as published in the United States Mail:
LETTER POSTAGE.—PREPAYMENT.
The law requires the postage on all letters to be prepaid by stamp for stamped envelopes—payment in money being prohibited. All drop letters must also be prepaid. The only letters on which payment is not demanded, are those addressed to the President, or Vice-President or members of Congress, and letters on official business to the chiefs of the Executive Departments of the Government, the heads of bureaus, and chief clerks, and others invested with the franking privilege.
RATES.
The rates of letter postage is three cents per half ounce, throughout the United States; and three cents for each additional half ounce or fraction thereof. The ten cent Pacific rate is abolished.
The rate of postage on drop letters is two cents per half ounce or fraction thereof, at all offices where free delivery by carrier is established. Where such free delivery is not established, the rate is one cent.
NEWSPAPER POSTAGE.
The following is the postage on newspapers, when sent from the office of publication, to regular subscribers:
Postage on Daily papers to subscribers when prepaid quarterly or yearly in advance, either at the mailing office or by delivery, per quarter, (3 months), .35 cts.
Six times per week, per quarter, .30 "
For Tri-Weekly, .15 "
For Semi-Weekly, .10 "
For Weekly, .05 "
Weekly Newspapers (one copy only) sent by the publisher to actual subscribers within the county where printed and published, free.
QUARTERLY PAYMENTS.
Quarterly postage cannot be paid for less than three months. If a subscription begins at any other time than the commencement of an official quarter, the postage received by the Post Master, must still be entered in his account for that quarter. Subscribers for short terms—exceeding three months, say four or five months—can pay quarterly postage for the actual term of their subscription—that is, for one quarter and a third, one quarter and two thirds, &c. The law only requires that at least one quarter's postage shall be prepaid, and not more than one year's postage. Any term between one quarter and one year can therefore be prepaid at proportionate rates. Subscribers can pay the postage for a fraction of a quarter at the same rates for a whole quarter, by including the postage with the next whole quarter, and paying for both at the same time.
PRIVILEGES TO PUBLISHERS.
Publishers of Newspapers and Periodicals may send to each other from their respective offices of publication, free of postage one copy of each publication, and may also send to each actual subscriber, included in their publications, bills and receipts for the same, free of postage. They may also state on their respective publications, the date when the subscription expires, to be written or printed.
SMALL PAPERS.
Religious, Educational and Agricultural Newspapers of small size, issued less frequently than once a week, may be sent in packages to one address at the rate of one cent for each package not exceeding four ounces in weight, and an additional charge of one cent is made for each additional four ounces or fraction thereof, the postage to be paid quarterly or yearly, in advance.
NEWS DEALERS.
News dealers may send newspapers and periodicals to regular subscribers at the quarterly rates, in the same manner as publishers, and may also receive them from publishers at subscribers rates. In both cases the postage to be prepaid, either at the mailing or delivery office.
POSTAGE ON TRANSIENT MATTER.—BOOKS AND CIRCULARS.
Books, not over 4 ounces in weight, to one address, 3 cents; over 4 ounces, and not over 8 ounces, 4 cents; over 8 ounces, and not over 12 ounces, 5 cents; over 12 ounces, and not over 16 ounces, 6 cents.
Circulars, not exceeding three in number, to one address, 2 cents; over three, and not over six 4 cents; over six, and not over nine, 6 cents; over 9 and not exceeding twelve, 8 cents.
MISCELLANEOUS.
On miscellaneous matter embracing all pamphlets, occasional publications, transient newspapers, hand-bills and posters, book manuscripts and proof-sheets, whether corrected or not, maps and prints, engravings, sheet music, blank flexible patterns, samples and sample cards, photographic paper, letter envelopes, postal envelopes or wrappers, cards, paper, 2 1/2 or ornamental, photographic representations of different types, seeds, cuttings, bulbs, roots, and scions, the postage to be prepaid by stamps, is on one package to one address not over 4 ounces in weight, 2 cents; over 4 ounces, and not over 8 ounces, 4 cents; over 8 ounces, and not over 12 ounces, 5 cents; over 12 ounces, and not over 16 ounces, 6 cents.
HOW TO BE WRAPPED.
All mail matter not sent at letter rates of postage, embracing books, book manuscripts, proof sheets, and other printed matter, and all other mail matter, except seeds, must be so wrapped or enveloped with open sides or ends as to enable the postmaster to examine the package without destroying the wrapper; otherwise such packages must be rated with letter postage. No communication, whether in writing or in print, can be sent with any seeds, roots, cuttings or scions, maps, engravings or other matter not printed, except upon the separate matter, at the established rates.
CLUBS.
Where packages of newspapers or periodicals are received at any post office directed to one address and the names of the club of subscribers to which they belong, with the postage for a quarter in advance shall be handed to the postmaster, he shall deliver the same to their respective owners. But this does not apply to weekly newspapers, which circulate free in the county where printed and published.
PRE-PAYMENT OF TRANSIENT MATTER.
All transient matter must be prepaid by stamps. But if it comes to the office of delivery without pre-payment, or short paid, the unpaid postage must be collected on delivery at double the prepaid rate.
Great neglect exists in the strict quarterly prepayment of postage on printed matter sent to regular subscribers. No such paper should be delivered unless it is either pre-paid at the mailing office, or at the delivery office, for at least a quarter. If not so prepaid, postmasters must collect postage on each copy as on transient matter. If they fail they will be charged with the full postage due, and in clear cases removed from office for neglect.
WRITING ON NEWSPAPERS.
To include or conceal a letter, or other thing (except bills and receipts for subscription) in, on, or under any newspaper, pamphlet, magazine, or any newspaper, pamphlet, magazine, or printed matter, is illegal and subjects such printed matter, and the entire package of which it is a part, to letter postage.
Any word or communication, whether by printing, marks or signs, upon the cover or wrapper of a newspaper, pamphlet, magazine or other than the name and address of the persons to whom it is to be sent, and the date when subscription expires, subject the package to letter postage.
