PROSPECTUS OF THE

RUTHERFORD STAR

The Undersigned propose to publish, in the village of Rutherfordton, a weekly Newspaper to be called "The Rutherford Star." It is our desire to make The Star a wel-

come visitor to all those who feel an interest

in the prosperity and welfare of our country as a whole, and the perpetuity of our institu-tions, as handed down to us by our noble ancesty, a Federal Republican Government. Our people have but lately emerged from a gigantic civil war, waged by and between Sections of a once glorious Union, and more desolating to our particular section, than anything that has ever happened on this contin-ent, and it is to be hoped, than ever will again. While there is life there is hope, and not-

withstanding the great changes wrought by

the late civil war, we shall encourage the peo-

ple to houesty, industry and economy, we shall take special pains to keep them posted with all beneficial improvements of the age, so that they may once more enjoy bountiful stores, prosperity and happiness.

We shall from time to time publish such laws, both State and National, as our people are directly concerned in, and shall likewise use our influence to establish a sound circula-

ting currency, so much needed at the present We shall be governed by principles and not men, for according to our honest conviction, the present condition of our country is owing to the abandonment of principles, we mean the abandonment of those fundamental prin-ciples upon which the Government of the Uni-

ted States was reared.
We shall favor and encourage the development of all our resources, Agricultural, Mineral &c., and likewise such internal improvements as will most likely be beneficial to the Country, and especially the extension of the Wilmington, Charlottee and Rutherford Rail Road west.

As to Politics we are True Conservatives believing neither in the Fire Enters of the South, nor the Radicals of the North, but in the Constitution, the Union, and the enforcement of all Constitutional laws, whether State or Federal, and a ready and willing obedience to the same.

The Star will be published every Wednesday at the following rates, (strictly in advance.) payable in currency or produce at market prices.
