THE POSTAGE LAW.
For the convenience of our readers, many of whom are unacquainted with the present postage laws, we extract and prepare the following from the existing regulations as published in the United States Mail:
LETTER POSTAGE.—PREPAYMENT.
The law requires the postage on all letters to be prepaid by stamp for stamped envelopes, or by meter if money being provided. All other letters must also be prepaid. The only letters on which payment is not demanded, are those addressed to the President, or Vice-President or members of Congress, and letters on official business to the chiefs of the Executive Departments of the Government, the heads of bureaus, and chief clerks, and others invested with the franking privilege.

RATES.
The rates of letter postage is three cents per half ounce, throughout the United States; and three cents for each additional half ounce or fraction thereof. The ten cent Pacific rate is abolished.
The rate of postage on drop letters is two cents per half ounce or fraction thereof, at all offices where free delivery by carrier is established. Where such free delivery is not established, the rate is one cent.

NEWSPAPER POSTAGE.
The following is the postage on newspapers, when sent from the office of publication, to regular subscribers:
Postage on Daily papers to subscribers when prepaid quarterly or yearly in advance, either at the mailing office or office of delivery, per quarter (three months), 35 cts.
Six times per week, per quarter, 30 cts.
For Tri-Weekly, 15 cts.
For Semi-Weekly, 10 cts.
For Weekly, 5 cts.
Weekly Newspapers (one copy only) sent by the publisher to actual subscribers within the county where printed and published, free.

QUARTERLY PAYMENTS.
Quarterly postage cannot be paid for less than three months. If a subscriber begins at any other time than the commencement of an official quarter, the postage received by the Postmaster must be entered in his account for that quarter. Subscriber for short terms—exceeding three months, say four or five months—can pay quarterly postage but he is bound to receive his subscription—that is, for one quarter and a third, one quarter and two thirds, &c. The law only requires that at least one quarter's postage shall be prepaid, but not more than one quarter's postage. Any sum between one quarter and one year can therefore be prepaid at proportionate rates. Subscribers can pay the postage for a fraction of a quarter, at the same rates for a whole quarter, by including the fraction with the next whole quarter, and paying for both at the same time.

PRIVILEGES TO PUBLISHERS.
Publishers of Newspapers and Periodicals may send to each other from their respective offices or publications, free of postage one copy of each publication, and may also send to each actual subscriber, inclosed in their publications, bills and receipts for the same, free of postage. They may also state on their respective publications, the date when the subscription expires, to be written or printed.

SMALL PAPERS.
Religious, Educational and Agricultural Newspapers of small size, bound less frequently than once a week, may be sent in packages to one address at the rate of one cent for each package not exceeding four ounces in weight, and an additional charge of one cent is made for each additional four ounces or fraction thereof; the postage to be paid quarterly or yearly, in advance.

NEWS DEALERS.
News dealers may send newspapers and periodicals to regular subscribers at the quarterly rates, in the same manner as publishers, and may also receive them from publishers at subscription rates. In both cases the postage to be prepaid, either at the mailing or delivery office.

POSTAGE ON TRANSIENT MATTER.—BOOKS AND CIRCULARS.
Books, not over 4 ounces in weight, to one address, 3 cents; over 4 ounces, and not over 8 ounces, 4 cents; over 8 ounces, and not over 12 ounces, 5 cents; over 12 ounces, and not over 16 ounces, 6 cents.
