CITY AND STATE ITEMS.

The Election. Ratification. Rejection.

Table with 3 columns: County, Ratification, Rejection. Rows include Franklin, Hanover, Wilson, etc.

Returns from nearly all the precincts of Cleveland county give for ratification 12, Rejection 35.

In addition to the above we learn from reliable source that Alexander county gives 100 majority for ratification, Wilkes 60, Forsyth 378, Ashe about 300, Yadkin 300; Alleghany has voted almost unanimously for ratification, and Surry has given a small majority against it.

IMPROVEMENTS.—In our notice of the improvements of the City Hall in our last, we did not mean to detract in the slightest degree from the just merits of the city commissioners. We made our statement upon information specially given us. Our commissioners are as careful of the health and cleanliness of the city as they can well be and all of them deserve credit therefor, but one of them deserves more credit than Maj. Turner, who we are sorry to learn, intends to resign.

COL. STEPHEN MOORE.—This gentleman, who was for some time connected with the Freedman's Bureau here, has been assigned to duty at Newberne. In the discharge of his duties here, Col. Moore gave general satisfaction, and in every way so demeaned himself as to win the respect of all. The good wishes of his many friends here accompany him to Newberne where they hope he will be kindly received. If we are to have such an institution as the Bureau in the State, it is very fortunate for us when they can be administered by such men as Col. Moore and Col. Edie who succeeds him here.

THE ARREST OF A HORSE THIEF.—On yesterday, constable, M. A. Smith, arrested one Lewis B. Clark, a few miles from this city, on suspicion of being a horse thief, brought him to the city and he was given a hearing before Mayor Eannis. Clark had a horse at the time of his arrest, which he claimed to have taken from a negro the previous night. The horse was also brought to the city, and shortly after the arrival of the party here, a party in search of the horse arrived, who identified him as the property of Mr. Ludwick, who resides near Mt. Pleasant. The horse was not given up but is still in possession of Mr. Smith, who will give him up when the owner comes and proves property. Clark has been committed to jail, and will, doubtless have a hearing before the county court, now in session, this week.—Banner, 10th.

INFORMATION WANTED.—Mr. R. Rogers, of Monroe, Union county, wishes information of his son, J. A. Rogers who was a soldier in Ripley's Brigade, on Sullivan's Island. He was last heard of just prior to the battle at Averasboro, in this State, after which he was missing. Any intelligence concerning him will be gratefully received by his distressed father. Will the press please circulate this notice.

WIDOWS AND ORPHANS OF SOLDIERS.—The citizens of Fayetteville are to invite Mr. Leo Wheat to give a series of his brilliant concerts in that town, for the benefit of widows and orphans of Confederate soldiers. The Presbyterian says of Mr. Wheat:

"We remember him when scarcely large enough to reach the keys of the Piano, and even then he displayed an intense enthusiasm for music which, joined to great facility of execution, seems to have given him a prominence amongst professional musicians rarely attained by a man of his age, in this or any other country. By all means let him come to Fayetteville, and let his reception be worthy of the pious cause to which he has devoted himself. The heart of the widow and the orphan will be made glad, and the double gratification of doing a benevolent action and hearing one of the most accomplished musicians of the day, will be cheaply purchased by the price of admission to his Concerts."

The man in Mobile, who, for a wager, undertook to walk an indefinite number of hours, burst a blood vessel, and was buried on Wednesday. His wife would not allow him to be interred until the corpse began to decompose, believing him still alive.—She is now insane, and will probably remain so for life.

Horse Greely, a Vermont paper says, in the case last Monday, said that "Lancolin was always wrong, but you could drive him right; Johnson is always wrong, and you can't drive him right."

MARKET REPORTS.

CORRECTED DAILY BY SPRAGUE BROS.

Table of market prices for various goods including Bacon, Coffee, Corn, Cattle, Hides, etc.

NEW ADVERTISEMENTS.

A PLAN TO RESTORE THE MAIL SERVICE OF THE SOUTH. To the People of Virginia, North Carolina, South Carolina, Georgia, Alabama, Mississippi, Louisiana, Tennessee, Arkansas, Missouri, Florida, and Texas.

It is a remarkable fact that the national debt was reduced during the year ending the 1st instant more than one hundred and twenty-four millions of dollars. If this is done while about half the area of the country occupied by a third of the population is impoverished by the war, the exhibit would have been a great deal better had the Union been really restored after the war by according to the States their equal rights under the Constitution.

THE NATIONAL DEBT. It is a remarkable fact that the national debt was reduced during the year ending the 1st instant more than one hundred and twenty-four millions of dollars.

A ragged old vagrant was recently arrested in St. Joseph. Half a bushel of filthy old rags were taken from about his waist, and wrapped in the rags was coiled \$1,224 50 in coin, and \$329 in currency. He declared that some of the coin had been in his possession for forty years.

A negro in Galveston, Texas, while smoking his pipe near an open keg of gunpowder in a grocery store, dropped a spark amongst the powder. The result was the sudden disappearance of the negro and the store. Some fragments were afterwards picked up, but they were not of much value.

Special Notices.

MAGGIEL'S FEVER & AGUE CURE.

DR. J. MAGGIEL'S Fever and Ague Pills also cure Chills and Fever. They are an infallible tonic for the system in all miasmatic districts, and should be kept in the medicine chest of every family.

Caution.—I have noticed with much pain that many Druggists, both at home and abroad, are offering my Billious and Diarrhoea Pills to patients for the cure of Chills and Fever and Ague. My Billious and Diarrhoea Pills are infallible for what they claim to be, but nothing more. Do not then be imposed upon. My Chills and Fever remedies have their name on the boxes, and are entirely different from any of my other medicines. I have been at considerable expense to have a label engraved difficult to counterfeit, and it is hoped that the consumer will narrowly scrutinize what he purchases, purporting to be mine.

PATENT MEDICINES.

A BOON TO THE SICK AND The Light of the World.

DR. MAGGIEL'S Pills and Salve.

These Life-giving remedies are now given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS,

Have been used with the greatest success. Their missioners not only to prevent disease, but to cure. They search out the various maldies, b which the patient is suffering, and reinvigorate the failing system. To the aged and infirm a few doses of these valuable pills will prove to be

A VERY FOUNTAIN OF YOUTH.

In every case they add new life and vitality, and restore the wearing energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to the vigor and make youth over

AN ETERNAL SPRING!

It was left for this day and hour to realize the dream and show in one glorious fact, the magic that made it all.

THESE FAMOUS REMEDIES

Cannot stay the flight of years, but they can force back and hold aloof, diseases that might triumph over the aged and young. Let none hesitate then, but seize the favorable opportunity that offers. When taken as prescribed:

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once, and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in described doses to the youngest babe.

FOR CUTANEOUS DISORDERS

and all eruptions of the skin, the salve is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!

DR. MAGGIEL'S PILLS Invariably cure the following Diseases.

- Asthma, Bowel Complaints, Coughs, Colds, Chest Diseases, Costiveness, Dyspepsia, Diarrhoea, Dropsy, Debility, Fever and Ague, Female Complaints, Headache, Indigestion, Influenza, Inflammation, Inward weakness, Liver Complaint, Lowness of Spirits, Ringworm, Rheumatism, Salt Rheum, Scalds, Skin Diseases, &c.
