#### A Man's A Man for a' That. A NEW VERSION-BY CHAS. MACKEY.

"A man's a man," says Robert Burns, " For a' that and a' that ;" For though the song be clear and strong, It lacks a note for a' that The lout who'd shirk his daily work, Yet claim his wage and a' that, Or beg when he might earn his bread, Is not a man for a' that.

If all who dine on homely fare Were true and brave and a' that, And none whose ga b is "hodden gray" Was fool or knave, and a' that, The vice and crime that shame our times Would fade and fall and a' that, And plowmen be as good as kings, And churls as earls, for a' that.

You see yon brawny, blustering sot, Who swaggers, swears, and a' that, And thinks because his strong right arm Might fell an ox, and a' that, That he's as noble, man for man, As duke or lord, and a' that; He's but a brute, beyond dispute, And not a man for a' that.

A man may own a large estate, Have palace, park, and a' that, And not for birth, but honest worth, Be thrice a man for a' that : And Donald herding on the muir, Who beats his wife and a' that, Be nothing but a rascal boor, Nor half a man for a' that.

It comes to this, dear Robert Burns-The truth is old, and a' that, " The rank is but the guinea stamp, The man's the gold for a' that ;" And though you'd put the minted mark On copper, brass, and a' that, The lie is gross, the cheat is plain, And will not pass for a' that.

For a' that and a' that, "Tis soul and heart, and a' that, That makes the king a gentleman, And not the crown, and a' that : And man with man, if rich or poor, The best is he for a' that, Who stands crect in self-respect, And acts the man for a' that.

DONATION OF PUBLIC LANDS .- So far as we know, Gov. Worth is the only Southern Fxecutive who has yet succeeded in actually obtaining the scrip for lands donated to the several States, under the Congressional act of July. 1862, for the purpose of founding agricultural and mechanic colleges. As the act originally stood, the time within which its provisions
