

Marriage Guide.—YOUNG'S GREAT PHYSIOLOGICAL WORK, or Every one his own Doctor.—Being a Private Instructor for Married Persons or those about to Marry, both Male and Female, in everything concerning the physiology and relations of our Sexual System, and the Production or Prevention of Offspring, including all the new discoveries never before given in the English language, by Wm. YOUNG, M. D. This is really a valuable and interesting work. It is written in plain language for the general reader, and is illustrated with upwards of one hundred engravings. All young married people, or those contemplating marriage, and leaving the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with. Still it is a book that must be locked up, and not lie about the house. It will be sent to any one on the receipt of Fifty Cents. Address Dr. Wm. Young, No. 416 Spruce St., above Fourth, Philadelphia. June 16, '66. 64tw&wly.

LETTER POSTAGE.—PREPAYMENT.
The law requires the postage on all letters to be prepaid by stamp for stamped envelopes—payment in money being prohibited. All drop letters must also be prepaid. The only letters on which payment is not demanded, are those addressed to the President, or Vice-President or members of Congress, and letters on official business to the chiefs of the Executive Departments of the Government, the heads of bureaus, and chief clerks, and others invested with the franking privilege.

RATES.
The rates of letter postage is three cents per half ounce, throughout the United States; and three cents for each additional half ounce or fraction thereof. The ten cent Pacific rate is abolished.
The rate of postage on drop letters is two cents per half ounce or fraction thereof, at all points where free delivery by carrier is established. Where such free delivery is not established, the rate is one cent.

NEWSPAPER POSTAGE.
The following is the postage on newspapers when sent from the office of publication, to regular subscribers:
Postage on Daily papers to subscribers when prepaid quarterly or yearly in advance, either at the mailing office or office of delivery, per quarter (three months) 35¢
Six times per week, per quarter, 12¢
For Tri-Weekly, " " 12¢
For Semi-Weekly, " " 10¢
For Weekly, " " 5¢

Weekly Newspapers (one copy only) sent by the publisher to actual subscribers within the county where printed and published, free.
QUARTERLY PAYMENTS.
Quarterly postage cannot be paid for less than three months. If a subscription begins at any other time than the commencement of an official quarter, the postage received by the Post Master must still be entered in his account for that quarter. Subscribers for short terms—exceeding three months, say four or five months—can pay quarterly postage (not as a final term of their subscriptions—that is, for one quarter and a third, one quarter and two thirds, &c.) The law only requires that at least one quarter's postage shall be prepaid, and not more than one year's postage. Any term between one quarter and one year can therefore be prepaid in proportionate rates. Subscribers can pay the postage for a fraction of a quarter, at the same rates for a whole quarter, by including the fraction with the next whole quarter, and paying for both at the same time.

PRIVILEGES TO PUBLISHERS.
Publishers of Newspapers and Periodicals may send to each other from their respective offices of publication, free of postage one copy of each publication, and may also send to each actual subscriber included in their publications, bills and receipts for the same, free of postage. They may also state on their respective publications, the date when the subscription expires, to be written or printed.

SMALL PAPERS.
Religious, Educational and Agricultural Newspapers of small size, issued less frequently than once a week, may be sent in packages to one address at the rate of one cent for each package not exceeding four ounces in weight, and an additional charge of one cent is made for each additional four ounces or fraction thereof, the postage to be paid quarterly or yearly, in advance.

NEWS DEALERS.
News dealers may send newspapers and periodicals to regular subscribers at the quarterly rates, in the same manner as publishers, and may also receive them from publishers at subscriber rates. In both cases the postage to be prepaid, either at the mailing or delivery office.

POSTAGE ON TRANSCIENT MATTER.—BOOKS AND CIRCULARS.
Books, not over 4 ounces in weight, to one address, 3 cents; over 4 ounces, and not over 8 ounces, 8 cents; over 8 ounces, and not over 12 ounces, 12 cents; over 12 ounces, and not over 16 ounces, 16 cents.

MISCELLANEOUS.
On miscellaneous mail matter embracing all pamphlets, occasional publications, transient newspapers, hand-bills and posters, book manuscript and proof-sheets, whether corrected or not, maps and prints, engravings, sheet music, blanks, flexible patterns, samples and sample cards, photographic paper, letter envelopes, postal envelopes or wrappers, cards, paper for ornamental, photographic representations of different types, seeds, cuttings, bills, roots, and screws, the postage to be prepaid by stamps, is on one package to one address, not over 4 ounces in weight, 2 cents; over 4 ounces, and not over 8 ounces, 4 cents; over 8 ounces, and not over 12 ounces, 6 cents; over 12 ounces, and not over 16 ounces, 8 cents.

HOW TO BE WRAPPED.
All mail matter, not sent at letter rates of postage, embracing books, book manuscripts, proof sheets, and other printed matter, and all other mail matter, except seeds, must be so wrapped or enveloped with open sides or ends as to enable the postmaster to examine the package without destroying the wrapper; otherwise such packages must be rated with letter postage. No communication, whether in writing or in print, can be sent with any seeds, roots, cuttings or screws, maps, engravings or other matter not printed, except upon the separate matter, at the established rates.

Where packages of newspapers or periodicals are received at any post office direct to one address, and the names of the clubs or subscribers to which they belong, with the postage for a quarter in advance shall be handed to the postmaster, he shall deliver the same to their respective owners. But this does not apply to weekly newspapers, which circulate free in the country where printed and published.

PRE-PAYMENT OF TRANSCIENT MATTER.
All transient matter must be prepaid by stamps. If it comes to the office of delivery without prepayment, it will be returned to the post office, and the postage will be charged on the next delivery.
Great neglect exists in the paper trade, in prepayment of postage on printed matter to regular subscribers. No such paper should be delivered unless it is either pre-paid at the mailing office or at the delivery office, for at least a quarter. If not so prepaid, postmasters must collect postage on each copy as on transient matter. If they fail they will be charged with the full postage on each copy, and their names reported to the post office.

WRITING ON NEWSPAPERS.
To be eligible for a notice of any thing (except notices and receipts for subscription) in, or to be written on any newspaper, or other printed matter, the printer must be notified, in writing, at least ten days before the date of publication, and the notice must be in the hands of the printer at the time of publication, and the notice must be in the hands of the printer at the time of publication, and the notice must be in the hands of the printer at the time of publication.

Essentially Southern in its main features, Tavor nevertheless contains a choice selection of the best Northern copy-right Music. The dispersed at the funeral of Gen. T. J. Jackson, (Stonewall,) May 17, 1863, was from his pen is included in this collection.
"Mr. McIntosh," says the Richmond Whig "is well known throughout the South as an author and teacher of finished excellence, with a musical reputation rarely attained by any man of his age in this country. In the South he stands at the very head of church music, no one disputing the position with him."
The book embraces everything of value of southern or south-western origin, much of which is now for the first time reduced to a written form. Its variety is great—embracing all metres in use, in every key and every variety of measure—with a full elementary department and fine collection of new anthems, set pieces and sonnettes. OF THE SOUTH.
To the People of Virginia, North Carolina, South Carolina, Georgia, Alabama, Mississippi, Louisiana, Tennessee, Arkansas, Missouri, Florida, and Texas:
Having recently returned from the South, I am well aware of the great inconvenience to which the Southern people are subjected on account of lack of mail facilities. This is, to a very great extent owing to the oath which being contractors are required to comply, there being but few men in the South who can take it. Having conferred with the proper authorities, (and obtained their approval, I find that this difficulty can be obviated and the mails established upon every route at the South, and at the highest rates admissible for the people of either North or South. Being a National Union man, (late of North Carolina), by which I mean one that is alike opposed to the horsecranks of the Extremists North and South, I can take this oath and thus form the connecting link between the Southern people and the United States Government. This I propose to do and to establish mails on every route at the South now destitute of them, as follows:

Any person who is desirous of becoming a contractor will address me at once, stating the route or routes for which he wishes to become contractor, (stating the extreme points to be connected, where of course, should be on some route heretofore established.) I will then contract for such route or routes in my own name, and let the parties have them at a discount of 25 per cent, on the annual amount for carrying the mails on said route or routes: This arrangement will secure the route to the contractor substantially the same as if it were his own contract, and frequently at a better price than could be obtained in the usual way where there is so much competition.

My percentage or mileage as above, will not be required until the end of the first quarter. The first applicant for a route or routes, judging by the post-mark on the letter of application, will have the preference, other things being equal.

Persons when making application should send a guaranty signed by at least two guarantors. The guaranty should be certified to by a postmaster or a judge of a court of record. Applicants can, if they desire, obtain blank forms, printed by the Government, by addressing either the undersigned, or the 2d Assistant Postmaster General, Geo. W. McClellan, who will take pleasure in giving all the information that may be desired.

As I am recognized as principal in this matter, payment must necessarily come through me. I can, however give the parties drafts on the sixth Auditor of the United States Treasury for all the quarter for which the contract may have been awarded, and these can be presented one at a time as they fall due, and the money drawn substantially the same as if the parties were bona fide contractors. In this case the expenses (two and half per cent) should be paid by or before the expiration of the first quarter after the commencement of service; otherwise payment for this quarter will be drawn by the undersigned, expenses deducted, and the residue, with drafts for the remaining quarters, forwarded to the parties carrying the mails. If persons prefer, I will draw and forward their money at the end of every quarter, without extra charge. I would however prefer that they accept the drafts, in order that they may have the matter in their hands.

It would be a source of much gratification to me if I be the means of extending mail facilities to the Southern people. Their attention is therefore respectfully called to this matter. As I am not required to cut down, through competition, it would doubtless be to their interest to make speedy application, before any modification is made in the test oath in order that they may obtain these routes at the highest rates admissible.

Persons confiding to my care may rely upon fair dealing. All accepted bids will be entered upon the books of the Post Office Department, where they will be open for inspection.

All letters relative to the foregoing should contain a stamp for answer, and addressed to BRYAN TYSON,

Persons who have deterred from making application for mail routes, thinking from what is said in the advertisement that the terms will be too low, should not wait any longer, but make immediate application and see if I cannot do considerably better for them than is set forth. I have done this for some and can do for others; therefore make application at once.
Editors who have inserted my advertisement will please make the following change: I desire the clause "which will be about 25 cents," to be "a tri-weekly mail" instead.
