Prits, and have known many families and individuals who have found them very beneficial, and I have also known physicians in excellent standing to recommend them to their patients.

For all diseases arising from disorders of the liver, I believe they are the best medicine of fered to the public.

Rev. Jons W. Potten. Snow Hill, N. C., (January 5, 1863.) says: "For twelve years it was a great sufferer. My liver was diseased. I lost my flesh and strength, and my skitu seemed changed in its cuber by the bile with which my system was overcharged. I became which my system was overcharged. I became subject to frequent and violent attacks of biltous cholie, every attack leaving me weaker than its predecessor. The physicians had been able to patch me up a little, but my health was in a deplorable state. I had taken patent me-dicines until I was tired of them. Without The Company has capital and assets, against its energy or comfort, I was barely able to go about a little. At length I visited to the enrnest persuasion of a friend and commenced taking the HEPATIC PILLS, with no cot fidence in them. They acted like a charm on me. From that hour I have improved, I have

persevered in their use until now, by God's blessing, I am well and hearty. I had a negro man, who, as I believe, was raved from death by a cose of these falls. My Doctor's bill was annually from \$100 to \$200, but I have had no use for a physician since. I can confidently recommend them as a superior family medicine They can be sent to any point in the United They can be sent to may posses.
