There Have Been Some Changes Made

Time was when buses stopped everywhere. Some still do as they are dandy for local trips.

But today there's also a faster kind of Trailways service known as thru express. Thru express takes you great distances without change and with less stops enroute. Many 200 mile trips are made non-stop, and very often a bus will travel 500 miles with only 2 or 3 stops.

A Trailways Bus Itinerary can be worked out to fit your particular needs, whether your trip is for 10 miles or 1000 miles; and you ride in America's newest bus fleet.

SUBTLE CHANGES - Studebaker's Gran Turismo Hawk continues its role as an enduring classic for 1964. Subtle changes, such as vinyl roof, speed lines at lower rear quarter of the top and new deck lid and grille treatment add to the classic appearance of this example of European styling. Interiors also have been given new touch of luxury coupled with simplicity. The new Studebakers are now on display at Strickland Motor Co. in Dunn.
