UNCC Exhibit

To Display Color

Photography

An exhibit of color photography will be on display through July 18 at the University of North Carolina at Charlotte. The exhibit, "Eliot Porter Retrospective," is on loan from the Western Association of Art Museums.

The exhibit is composed of 40 photographs by photographers, ornithologist, biologist, conservationist, and author, Eliot Porter. He has exhibited in major museums and has published several books for the Sierra Club.

The exhibit is on display in the Main Gallery of Cone University Center. Hours are 8 a.m. to 5 p.m.

Keep your out-of-town friends informed on what's happening in Charlotte by sending them a copy of the Charlotte Post each week. The cost is only \$8 per year.

A man like this is hard to find

That's why ALVIN GREEN works for Metropolitan Life...and why his performance in 1976 has earned him a place as a member of Metropolitan's President's Conference.

This honor goes only to men and women in the United States and Canada who compile outstanding records...not only for salesmanship, but also for showing a practical and creative concern for the people they serve.

MR. GREEN is a true professional, working with families and businesses to plan and service the insurance programs they need and are able to afford.

If he can do this well for others, he can do it for you. He's easy to reach. All you have to do is call.
