

Zetas Will Present Ebony

Fashion Fair Here Sunday

By Jeri Harvey
Post Staff Writer

The 20th annual Ebony Fashion Fair will appear at Ovens Auditorium Sunday, October 30, at 6 p.m. This famed traveling fashion show is produced in Chicago by EBONY Magazine and is sponsored here by Delta Zeta Chapter, Zeta Beta Sorority, Inc. The show will benefit national and local scholarship funds and other worthwhile causes, including: United Negro College Fund, YMCA, NAACP, etc.

The array of spectacular garments were personally selected by Mrs. Eunice W. Johnson, producer and director of the show, during her visits to the fashion centers of the world - Rome, Naples, Paris and London, as well as New York, Chicago and Los Angeles.

Some of the famous designers whose garments will be featured in the show are Marc Bohan for Christian Dior, Balmain, St. Laurent, Ungaro, Guy Laroche, Karl Lagerfeld for Chloe and Calvin Klein.

Mrs. Johnson has also selected outstanding creations from black designers, Stephen Burrows, Jack Fuller for Nuance, James Daugherty, Scott Barrie for Barrie Sport and Jay Jaxon for Munej.

The traveling show consists of some 200 fashions complete with accessories, 10 female and 2 male models, a commentator, music director, stage and business managers and wardrobe staff. Because of the unprecedented demand for sponsorship of the show from organizations in many, many cities throughout the United States, EBONY Fashion Fair will tour two seasons - the East from September 7th through December 10th, and the Southwest from January 12th through April 25, 1978 - a total of 161 cities.

Tickets for the show are \$10 and include a year's subscription to Ebony or 6 months to JET. They may be purchased from Ivey's (Downtown) Fashion Fair Counter, Belk's (Downtown) Fashion Fair Counter, Mrs. Carrie Evans - 4910 Lakeview Road or Ms. Maidie Simpson - Room 101 at the A.M.E. Zion Publishing House, 401 East Second St. (Phone 333-4847).

Ms. Simpson, chairperson of the benefit performance said she hopes the public will support this effort because only through public support can the sorority continue to lend aid to the deserving causes it benefits.

Ms. Simpson, publicist for the benefit performances will appear on Channel Nine's Eyewitness News at noon on Wednesday, October 26 to discuss the show.

She said she hopes attendance at Ovens will be good because "only through public support can the sorority continue to lend aid to the many causes it benefits."

CMS Is County's Largest Employer

With over 7,300 employees, the Charlotte-Mecklenburg School System is the largest employer in Mecklenburg County and has an annual budget larger than either the city or county budgets.

Based on recommendations from auditors, the Board of Education authorized a review of the administrative organization of the school system by local business executives.

The Board selected W.T. Harris, former Mecklenburg County commission chairman, former chairman of Board of Harris-Teeter Supermarkets, and local business executive, to serve as chairman of the review committee. Harris selected a group of volunteer business executives to work with him.

Members of the committee include: Jim Babb, managing director of WBTV; William Lee, senior vice president of Duke Power; Hugh McCall, president of NCNB; Alex McMillan, vice president and financial officer of the Riddick Corporation and chairman of the board of Harris-Teeter Supermarkets, Inc.; Ted Summer, chairman of the board of First Union National Bank; Jack Tate, president of Piedmont Bank and Trust Company; Ann Thomas, chairman of the social services board and president of the Social Planning Council; and Sandra Townsend, president of Townsend Realty Company. A tenth member will be added to the committee at a later time.

A management consulting firm will act as a staff coordinator to the study committee. Among the items to be considered by the committee are: the decentralized administrative structure which is in its second year; the number and cost of top administrative positions in the system; the relationship between supporting services and the instructional process.

The committee will make recommendations on revisions the school administration should consider to improve effectiveness of school operations.

Red Cross Youths Plan

Halloween Celebration

As an important part of Red Cross Youth's plan to help Charlotte have a happy and safe Halloween celebration, Jim Cobb, UNCC student, will speak on safety tips for Halloween at three elementary schools: Plaza Road, Pine-wood, and Double Oaks.

Cobb's involvement in the Red Cross Program is an outgrowth of a sociology course.

As a part of his skit (with an unsafely costumed partner) for elementary school students, Cobb will discuss several of the "Trick or Treat Tips" being circulated to school children by Red Cross Youth.
