

Prophet's Column

"Invisible Warfare" - Part III

J. M. Little

Our home was a very religious one and I had been taught to pray at a very early age. A school mate told me that when a person died they would come back and watch over their loved ones from up on the clouds. So I would stand outside of the house day after day looking for Leroy on a cloud. At night before I would go to bed I'd pray that he would be saved and taken to heaven. I did not realize at the time that "as death finds a person, so does eternity hold him." I wanted to know so much if Leroy went to heaven.

One day I was standing by the corner of the house gazing up in the sky looking for Leroy. And I looked there on a cloud and saw what I thought was Leroy's head. It looked like him, so I said now I know Leroy went to heaven because I've seen what I saw in the clouds that looked like Leroy was just a demon spirit impersonating my dead brother! The work of Satan deceiving me! How many of you base your salvation on a vision from Satan like that!

Your loved one may die, days or even weeks later you think you hear their voice. That is just a demon spirit impersonating your dead loved one. Now you may think I've gone off the "deep end" bringing out things like this, but I know somewhat of Satan's deception. I am exposing Satan here and he hates me for it.

The seventh class of demons I call your attention to is the DEMON OF DUMBNESS. "And one of the multitude answered and said, Master, I have brought unto Thee my son, which hath a DUMB spirit; (MK. 9:17) I am not saying that all dumbness is a demon spirit, but there is a demon spirit of dumbness.

The eighth class of demons I call to your attention is the class of DEAF DEMONS. This same boy in Mark 9:25 had in him also a deaf demon. Also in Mk. 7:35 we see a deaf demon.

The ninth class of demons in a DEMON OF EPILEPSY. Mk.9:20 "And they brought him (the boy) unto Him (Christ); and when he saw him, straightway the spirit tare him; and he fell on the ground, and WALLOWED FOAMING. In my lifetime I have seen an individual who would fall to the ground wallowing and foaming. Not every epileptic may be a demon however.

The tenth class of demons I call to your attention is a DEMON OF LYING. In II Ch. 18:20-21 "Then there came out a spirit, and stood before the LORD, AND SAID, I will entice him. And the LORD said unto him, Where-with? And he said, I will go out, and be a LYING SPIRIT in the mouth of all his prophets." Here we see a demon spirit of lying. If you were to ask me which class of demons is most numerous today, I'd have to say that DEMONS OF LYING are most numerous. Where can you go to find men and women who will be honest with you? This generation today is the most lying generation that ever lived on the face of this earth. The Southern Baptists noted in one of their recent conventions how people of late have taken to lying so much. People will stand up to you and lie like a dog and think nothing about it. Wake up friends! This generation is gone! Where do you stand?

An individual will promise you something while he is talking with you, knowing all the while he has no intention of doing what he has said he

would do. In all my life I've never seen such lying as is taking place today. I told a woman one time that when I tell a person I'm going to do something I try to do what I say. She told me I was mistaken if I thought people were going to do by me like that.

But I believe God's people are men and women of their word. I have a man in my family who has always been a man of his word. If he told you he'd do a certain thing you could count on it.

How is it between you and the Lord, friends? Do you know Christ? Wherever the Gospel is preached under the power of the Holy Spirit you will find the manifestation of demon spirits. The average preacher and Bible teacher today, don't know the depraved state of mankind, therefore they do not know that sinners are demon possessed. Therefore, they do not know how to preach to sinners about their true state. Many of you call me crazy, that is because you, even though you are a preacher or deacon, are just a natural man (I Cor. 2:14). If you were born-again you would be able to understand the spiritual things I have been setting forth from time to time in this column.

I did not realize years ago after God saved me, that He would give me a pulpit from which to speak to multitudes across the nation and around the world. I'm nothing but Christ Jesus my Lord is everything to me. I don't know where the Lord is going to lead me, but as the old Parson Shelton used to say; "if you want to be great, find out where God is going and go with Him." Six years ago this month, God saved me. I have never gotten over it and will never cease to praise the Lord for saving such a hell-deserving sinner like me. When I look out across the sea of poor blinded humanity, I am made to cry out; Lord, that would be J.M. Little but for your grace!

I know somewhat of what I am by nature. That God would effectually call me, and justify me by His grace in Christ Jesus is beyond my understanding.

Let me read you something that blesses my heart so much after God saved me. "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ;" (Rom. 5:1) The soul who is justified by the faith of the Lord Jesus Christ can praise the Lord for His salvation which is Christ my Lord. Are you rejoicing in the Lord? You are if you have been justified by the faith of the Son of God. As a justified soul, I have something that only the Lord could give. When God justifies a soul, it means He cancels all the sin debt of that soul and counts him as if he had never sinned. He looks upon you as He looks upon Christ! You have the victory in Christ! Praise the Lord.

And then you can say; sin no longer has dominion over me, I am under grace and not under the law (Rom. 6:14).

I hope you have been enlightened by these messages on "Invisible Warfare" where you can see a little as to the work of Satan and his army. There is so much that could be covered on this subject. What I have brought out is just barely scratching the surface. Christ is coming soon, are you ready to meet Him? I am
