ALBUM REVIEW
Crown Heights Affair
THINK POSITIVE
Smooth, silky harmonizing, a good blend of background vocal and snappy upbeat melodies sums up the sound of Crown Heights Affair's latest album, "Think Positive." From this pattern Crown Heights Affair deviates only twice and that's with a rapping tune, "Think Positive" and a love ballad "Heart Up-

side Down." Side One of "Think Positive" lists "Somebody Tell Me What To Do," "Love Rip Off," "Heart Upside Down," and "Think Positive." "I Got Somethin' For Ya," "Wine And Dine You," "Your Love Makes Me Hot," and "Let Me Ride on the Wave of Your Love" are the selections on Side Two. Remember L&L Records, located at Freedom Mall, is the place to purchase your record needs.
