

Faculty Of Imagination Is Spring Of Human Activity

The faculty of imagination is the great spring of human activity, and the principal source of human improvement. As it delights in presenting to the mind scenes and characters more perfect than those which we are acquainted with, it prevents us from ever being completely satisfied with our present condition, or with our past attainments, and engages us continually in the pursuit of some untried enjoyment, or of some ideal excellence. Destroy this faculty, and the condition of man will become as stationary as that of the brutes.

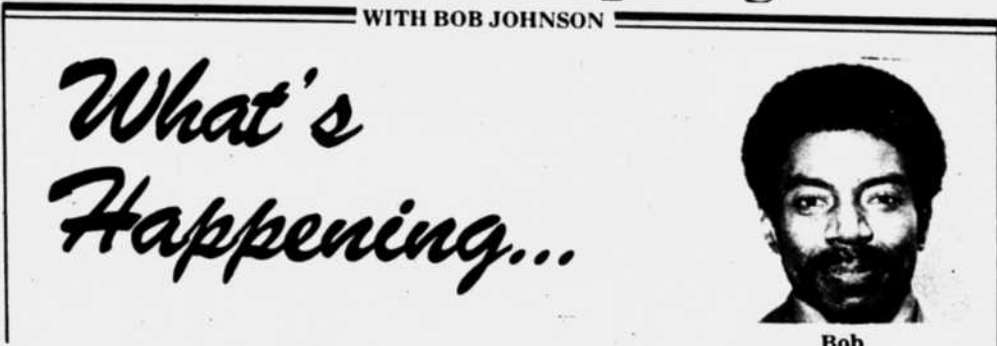

YOURS, MINE AND OURS... Understanding that images are the brood of desire and endowed with an unquenchable thirst for perfection, Bob Curry, financial planner for Mutual Benefit Life Insurance Company, spearheaded a birthday party that was nothing but the truth.

The recent party was given in honor of his dear friend, Sam Jones, of Jones Electrical Contracting, Inc., and co-hosted by the company's personnel.

According to Bob, Yours, Mine and Ours was used to house this function because it is large enough to be comfortable, yet small enough to be intimate.

Included in the evenings' itinerary was a fashion show, featuring beautiful bodies, showing off very chic clothing, an abundance of food and music that kept the pulse beating to a good time.

Some of the guests who helped to break-up the place at Sam Jones' birthday party were: Cynthia Bryant, Cynthia Williams, Theresa Richardson, Freddie Jones, Gwendolyn Jones, Mary Jones, Katie Jones, Janie Blount, San-

That party has been written. The writing this week consists of a disco Thursday night, September 16, sponsored by the committee to elect Phil Berry to the North Carolina Senate. Regular Friday night disco featuring Booker Boo. Saturday and Sunday nights, Dice Band will be featured live and in color.

A new entertaining feature will be introduced in the near future by club owner Bob Stinson and manager Leroy Watkins.

...SILVER DOLLARS 1982
...The world of reality has its limits; the world of imagination is boundless. Enter Al Duncan, manager and Richard Moore, assistant manager. Their creative imagination keeps the silver dollar green.

Last Monday night, the members of Silver Dollars were thoroughly entertained by the big screen version of Monday Night Football and the devilish antics of the Exotic Strippers.

The seven-member aggregation, High Voltage, played Tuesday night, solidifying the sultry voice of Dequilla, the lady who brings the house down whenever she sings.

Wednesday night featured the Jet Set Happy Hour with a lot of the who's who in Charlotte present.

Thursday night is ladies' night, and Friday night discos with Doc Silver.

KING AND QUEENS...
Nathaniel Black, owner and operator of Kings and Queens, who believes that man should let reason be the ruler of his waking thoughts, hasn't planned anything exceptional for the week. However, the regular schedule, though not exceptional, is filled with

the kind of adult entertainment fit for Kings and Queens.

Kings' night on Wednesdays, Queens' night on Thursdays and disco rhythms every Friday and Saturday with any one of a trio of music spinners.

BEACON CLUB... An uncommon degree of imagination constitutes quick wit and maybe a flair of genius, qualities possessed by Beacon owner, Jack Benson.

The red letter date for the Beacon is Saturday, September 25. The committee to elect Jim Richardson to N.C. House of Representatives and Jim Polk to the North Carolina Senate will host a fund raising disco from 9:30

p.m. until... Live music will be played by Onyx, formerly Future Shock.

Every Tuesday night is ladies' night. Thursday night is men's night. Happy hour is daily from 5-7 p.m.

...MIDWAY LOUNGE...
Games and things and delicious wings are the order of the night for Mike Cotton's popular neighborhood establishment. This all happens on Monday nights.
