Central Looking To Avenge Last Year's 45-7 Thumping

North Carolina Central returns to the CIAA North-South Championship game looking to avenge last year's 45-7 thumping by Virginia Union. The Eagles earlier edged the Panthers 26-27 in a regular season game in Durham, N.C. Like Virginia Union, N.C. Central returned a wealth of experience with 18 starters back.

NCCU can attack effectively by land or air. FB Benny Tate led the conference in rushing with 107 yards a game. QB Gerald Frayton was second in passing with 140 yards tooted a contest. Frayton was hampered by a groin muscle pull midway the year as understudy Danny Smith proved an effective passer off the bench. The favorite Eagle target is speedy WR Victor Hunter who after eight games compiled 31 catches for 704

yards. That's a hefty 22.7 yards per catch and a lot of real estate per game.

Like Virginia Union, NCCU is no slouch on defense, ranking second in the CIAA in rushing, passing and overall defense. Defensive ends Lorenzo Ingram and Nate Johnson are a sack pack all by themselves having bagged

over 25 QB sacks. Defensive tackle Barry McLaughlin leads the linemen in tackles. Allen Reddick and Curtis Woods are capable linebackers. The secondary is led by Allen Pierce

and William Frizzell who led the Eagles in interceptions with five each.

N.C. Central's lone CIAA defeat came at Norfolk State. The Eagles ended in a first place tie with

Johnson C. Smith University for the Southern Division title, but defeated the Golden Bulls on the Eagles' Homecoming Day to claim the championship game spot.
