

Dr. Mable McLean  
Barber-Scotia president

**Wachovia Bank  
Donates \$2,000  
To Barber-Scotia**

Wachovia Bank & Trust Co. has donated \$2,000 to Barber-Scotia College, as part of its continuing support for the United Negro College Fund.

Wachovia city executive Timothy Crist presented the check recently to Barber-Scotia president Dr. Mable McLean.

The donation, Crist said, represents the bank's continuing support for the UNCF, by way of one of its member institutions.

He said Wachovia has a strong faith in education and believes Barber-Scotia College makes a worthwhile contribution to the community.

"This contribution from Wachovia will provide a decided acceleration toward the goal of Barber-Scotia College," said McLean. "The gift represents the investment of a new corporation in a community which has a very old college as part of its inner life and achievement."

The UNCF, of which Barber-Scotia is a part, raises money annually for the operating expenses of 42 historically black private colleges and universities.

Contributions go toward scholarship aid, help pay faculty salaries, buy textbooks and equipment, and aid in other aspects of college life.

**Summer Internships**

Need a summer job? It is not too early for college students to begin planning for the summer of 1984, especially if they are interested in a state government internship. A total of 115 internship positions will be available in locations across the state.

Students will work for 10 weeks, May 31 to August 9, and will earn approximately \$150 per week. They will attend seminars and tours to learn more about state government.

To be eligible for an internship, a student must be attending a North Carolina college, university, community college or technical institute or be a North Carolina resident attending an equivalent out-of-state institution. College and university students must have completed their sophomore year, while students in a two-year technical program must have completed one year of study.

The application deadline is January 5, 1984. Students must submit the new N.C. State Government Internship Application form. Other application forms will not be accepted.

Applications and information about specific projects, guidelines and the selection process are available at campus career placement offices. Internship application forms are also available at local Employment Security Commission Job Service offices.

For more information, contact the Youth Advocacy and Involvement Office, N.C. Department of Administration, 121 W. Jones St., Raleigh, N.C. 27603, or call Sally Migliore at 919-733-9296.

**Funds Available**

Could your youth group or organization use financial assistance? If so, funds are available to assist youth groups in Mecklenburg County in developing innovative community projects. If you're a member of a youth group or organization planning a worthwhile project for young people, you may be able to receive a mini-grant from the N.C. State Youth Council to assist you.

The North Carolina State Youth Council awards mini-grants to organizations three times each year.

The deadline for accepting applications for these grants is January 2.

The applications will be screened and approved at the State Youth Council Board of Directors' quarterly meeting which will be held in High Point January 25-27. Awards are reviewed by the State Youth Advisory Council before being granted.

For more information and a mini-grant application, contact the Youth Advocacy and Involvement Office, Elks Building, 121 W. Jones St., Raleigh, N.C. 27603-1334 or call 919-733-9296.

The State Youth Council is a component of the Youth Advocacy and Involvement Office and works with youth councils across the state. Although the council advises existing councils and helps new ones get started, the grants are not restricted to youth councils.
