

HELP WANTED HELP WANTED

ADVERTISEMENT, BIDS WANTED: Sealed proposals will be received by the Purchasing Director of the City of Charlotte, North Carolina, in the Purchasing Department, City Hall Annex Building, until 2:00 o'clock p.m. on Monday, December 17, 1984, at which time they will be publicly opened and read for the following: "CONSTRUCTION EQUIPMENT." Proposal forms and specifications may be obtained at the office of the City Purchasing Director. Each proposal must be accompanied by a deposit equal to 5 percent of the gross price bid. The right is reserved to reject any or all proposals.

NOTE A Pre-Bid Conference will be held in the Purchasing Department at 2:00 P.M. on December 3, 1984.

A true copy of this Advertisement was published in The Charlotte Post on Thursday, November 29, 1984 and in The Charlotte News on Tuesday, November 27, 1984.

READVERTISEMENT INVITATIONS FOR BIDS

The City of Charlotte will receive sealed Bids for FIRST WARD PARK, Project Number 512-84-060, until 3:00 P.M. on the 4th day of December, 1984 in the fourth floor conference room of the Cameron-Brown Building, 301 South McDowell Street, Charlotte, North Carolina 28204, at which time and place all Bids will be publicly opened and read aloud.

Separate Bids will be received for the following work: General Contract for the Construction of a City Park including sidewalks, landscaping, play equipment, grading and drainage, and site furnishings.

Proposals must be on standard forms furnished by the Architect and must be submitted in a sealed envelope identifying the Contractor submitting the proposal. The envelope must be clearly marked as containing a proposal for a particular contract.

Proposal forms, plans and specifications may be obtained at the office of: DPR Associates, 2036 East Seventh Street, Charlotte, North Carolina 28204

A deposit of \$25.00 will be required for the plans and specifications. The deposit will be refunded upon the return of plans and specifications in good condition within 10 days from date the Bids are received.

Plans and specifications will be on file at the offices of:

- 1. The Architect
2. City Engineering Dept. (301 South McDowell Street, Suite 400)
3. The local A.G.C.
4. Dodge Plan Room

All contractors are hereby notified that they must have proper licenses under the State laws governing their respective trades at the time of submittal of bids.

A certified check or bank draft, payable to the order of the City of Charlotte, negotiable U.S. Government bonds (at par value), or satisfactory Bid Bond executed by the Bidder and an acceptable surety, in an amount equal to five percent (5 percent) of the Bid shall be submitted with each bid. Bid bond shall be retained if successful bidder fails to execute the contract within ten (10) days after award.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin.

Attention is also called to the fact that federal and/or state funds are partially funding this project. Only bidders who are eligible to do work for these agencies shall be eligible to bid on this project.

Bids may be held by the City of Charlotte for a period not to exceed sixty (60) days from the date of the opening of Bids for the purpose of reviewing the Bids and investigating the qualifications of Bidders, prior to awarding of the Contract.

The City of Charlotte reserves the right to reject any or all Bids and to waive any informalities in the bidding.

Bidders are advised that this contract contains provisions requiring the Contractor to document that sufficient good faith efforts have been made to provide equal opportunity for Minority and Women Business Enterprises to participate in the subcontracting and material supplier opportunities available under this contract.

PUBLIC NOTICE REQUEST FOR PROPOSALS

PREQUALIFICATION OF IN-VESSEL COMPOSTING SYSTEM SUPPLIERS CITY OF CHARLOTTE, NORTH CAROLINA

The City of Charlotte is considering the construction of an in-vessel composting facility for its McAlpine Creek Wastewater Treatment Plant. The composting system will be designed to stabilize and condition dewatered residual solids produced by this facility and possibly two other Charlotte Wastewater Treatment Plants. These three facilities treat wastewater which is primarily of domestic origin.

The proposed composting facility will be located on the site of the existing McAlpine Creek Wastewater Treatment Plant, immediately adjacent to a new solids dewatering complex. Currently, the City's proposed implementation schedule calls for the facility to be operational by June, 1987.

The Owner of the project is the City of Charlotte, North Carolina, Charlotte-Mecklenburg Utility Department, 5100 Brookshire Boulevard, Charlotte, North Carolina 28216.

The City of Charlotte requests proposals and qualifications statements from IN-VESSEL COMPOSTING SYSTEM SUPPLIERS who are interested in being considered as viable suppliers of the proposed composting facilities. A prequalification package has been prepared by the Engineer, CH2M HILL. The prequalification package provides information concerning the project and defines the minimum requirements for submittal of proposals by interested IN-VESSEL COMPOSTING SYSTEM SUPPLIERS. Copies of the prequalification packages are available upon request from CH2M HILL, Suite 300, 229 Peachtree Street, N.E., Atlanta, Georgia 30303 (Phone: 404-523-0300).

Firms desiring to be considered as suppliers of the proposed composting system for the Charlotte project, must forward four (4) copies of their proposal and qualifications statement, fully complying with the requirements stated in the prequalification package, to the attention of Mr. J. C. Goldman, Jr., CH2M HILL, Suite 800, 200 South Tryon Street, Charlotte, North Carolina 28202. Submittals must be received by no later than 5:00 p.m. local time, December 17, 1984.

The information contained in the proposal and qualifications statements will be evaluated in accordance with the requirements noted in the prequalification package. Based on the results of these evaluations, the most viable supplier(s) of the proposed composting system will be selected for further consideration during the detailed design phase of the project.

Suppliers proposing composting systems not considered viable (acceptable and/or in the best interest of the City of Charlotte) for the McAlpine Creek project, will be eliminated from future consideration. Suppliers not responding to this request for proposals will not be considered at a later date.

Questions concerning this prequalification procedure may be directed to Mr. J. C. Goldman, Jr., at the Engineer's Atlanta, Georgia, office (Phone: 404-523-0300). Prequalification packages shall be clearly marked "PREQUALIFICATION, In-Vessel Mechanical Composting System, McAlpine Creek Wastewater Treatment Plant." The responding firm's name and address shall also appear on the outside of the package. Delivery may be made in person or by registered mail - return receipt requested. Prequalification packages received after the above closing time will be returned unopened to the sender.

City of Charlotte, North Carolina Charlotte-Mecklenburg Utility Dept. By: Joe C. Stowe, Director.
