"A Voice Left Behind"

By J.M. Little  
Special To The Post  
Over the years we have brought messages on the world conditions prior to the Second Coming of Christ, and also on the sad scene there at the Great White Throne Judgement of Rev. 20:11, 12. I praise and thank the Lord for saving me almost thirteen years ago. I know of a certainty that the greatest thing in all this world is to know Christ as your Lord and Saviour. It's the greatest thing that could happen to a poor, lost sinner. Just several days ago I sat out there in the shadow of huge oaks telling a dear man, 76 years old, how God saved me. I don't know of a greater story to tell than that of Christ dying for sinners. Do you? Do you know Christ?

J. M. Little

God's redemption is simple but the professors stumble over it because you are wedded to your opinion. Your opinion is an idol which will damn your soul in Hell. Before you can be saved you have to let go of everything you ever believed and let God take complete control of you. And since we have been putting our messages in print I have been drawing the line of demarcation between the life of a religious professor and a truly saved soul. Only by the grace of God have I done so. It is not J.M. Little, for I am only a human instrument God has chosen to use. A man said several years ago after someone gave him some of our messages; "Little does not have intelligence enough to write messages like that." Now, that man was right, these messages are from the Lord. So when you scoff at them you are scoffing at the Lord. One day soon to your unspeakable sorrow and regret you will acknowledge that. When I was in the religious world I knew nothing of the Way of Grace. I learned the Way of Grace under Holy Spirit conviction at the feet of Christ. Every soul who has heard the Voice of the Lord knows I am setting forth the truth. I have to draw the line right there again. Our subject at this time is: "A VOICE LEFT BEHIND." When Christ comes, which could be any minute, and takes His blood bought souls out in the rapture, some will be left behind. Some in my family will be left behind. Some in your family will be left behind. "For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." (1 Thess. 4:16, 17). That is as certain to take place as God is on the Throne. And this Scripture does away with your Amillennial hellish doctrine. The Lord's return in the air for His own will take place but there will be souls left behind whom we pleaded with to turn to Christ. You made light of the many warnings you received. Some of you sat under the truth day after day. Some lived in a home where Christ was known. What will be the attitude of those when they realize their loved ones have been taken away by Christ? A voice left behind will weep bitterly and in unspeakable sorrow; "Why couldn't I believe the truth he gave me? What a fool I was to take the truth lightly! I lived under the truth, but yet refused it. A man will say; "I wish I had listened to my wife and turned to Christ." A woman will weep a multitude of bitter tears; "Oh, why? Why couldn't I see the truth and turn to Christ? My husband pleaded with me to turn to Christ. The more he tried to talk to me about Christ the more I went into my religion trying to drown out the truth he was trying to give me about the Lord to show me my empty religious profession." A group of church members will weep bitter tears also; "We sat under the truth every Sunday, boasting of the fact we didn't run with the world as others. Now, we see that living a life

unspotted from the world without the New Birth is vain. All our faithfulness to church was empty without Christ. We had never had Christ revealed to our hearts. What will we do? We are lost and left behind." Then a preacher will stand in his pulpit the next church service and tell his congregation, (with dropped shoulders); "Brothers and sisters, it is evident from the missing few around the world that Christ has come and raptured His true church while we slept. Not the physical sleep you get at night when you go to bed, but we, and I include your pastor in that 'we', slept even while we lived a great religious life left behind. I didn't have the New Birth. Now I realize Brother Little was right in warning us that one has to have a personal knowledge of Christ as his Lord and Saviour. I was wrong to say he was crazy. You, my church members, paid me to preach to you. I led you blindly. May God have mercy on me for murdering your souls." Friends, on and on it will go with those left behind when Christ comes. This is not a dream or some fancy I'm giving you, friends. When Christ comes and takes His own out then you'll see your doom. You don't believe me now when I warn you. But then you'll say; "What fools we were not to believe the truth!" I

plead with you to turn to Christ now before He comes. Will you do it? I invite you to continue listening to my late Pastor, L. R. Shelton, with THE VOICE OF TRUTH each Sunday morning over WAGI-FM at 7:30 and over WAGL-AM at 8:00. He is bringing a message; "CHRISTMAS, A DEMON HOLIDAY." You'll want to hear the message on this important subject. And turn to the Lord from this idolatry.
