

Straw Vote Wins For Men's Casual Headwear, Ideal Finishing Touch

Whatever your professional or personal lifestyle, Dobbs, the well-known line of men's headwear, has the perfect hat to top your business and leisure dress for success attire.

Dobbs understands a gentleman's need for individuality and feels the way a man dresses should reflect his lifestyle and allow him the freedom to make his own fashion statement.

As winter gives way to spring, and your wardrobe goes from warm and wooly to cool and casual, Dobbs Fashions and Sunshine Straw Hats offer fashionable interpretations of classic men's headwear with silhouettes handwoven of genuine Panamas, sailor, jute, verona or coconut straw.

This spring collection headlines with soft yet constructed hats and large, dimensional brims in refreshing, lightweight silhouettes.

The collection starts off with contemporary dress styles like the "Rouge" and the "South Hampton." The Rouge, a verona straw, is available in a breadth of warm weather colors from castle grey to cool palm tan. In the classic fedora shape, the Rouge is trimmed with a colorful club stripe band.

Brims and Bands
Fashioned of coconut straw, the South Hampton's two inch brim is offset with a bright, pleated madras band.
