Students of Charlotte's Metro Center prepare for the parade which was part of the opening ceremonies for the recently held Special Olympics. Approximately 850 athletes from Mecklenburg County, as well as numerous volunteers, were involved. Fred Kirby was Grand Marshall for the parade and various businesses

entered into the festive occasion. The Mayor proclaimed April 24-26 "Special Olympics Days," with the 24th being devoted to the parade, a picnic and dance in Marshall Park, and other ceremonies; and the 25th and 26th to the sporting events. (Photo By Teresa Simmons)
