"Wildfire Religion"

doctrine. I would that you knew my Lord. I'm praying that the Holy Spirit will awaken you to your lost condition. If He doesn't, you are going to Hell just as straight as a martin to his goard. It takes a miracle of grace to bring a sinner out of the religious world. He brings you out and you see the judgment on the religious world. Down through the years many here have taken issue with me on these truths: It's because you have never seen yourself under the judgment of a sin-avenging God. If the Holy Spirit ever awakens you and reproves you of sin, righteousness, and judgment, (John 16), never again will you take issue with the truth.

A couple of souls spoke up in rebellion in a church, recently. The truth cut across their grain. There is something in every message to cut across the grain of an unsaved heart. An unsaved heart will flare up this way: "Well, I just don't see it that way!" You can't, you are just a natural man, unregenerate. These things can only be seen with a spiritual eye. And since you haven't been given spiritual eyes by the Holy Spirit, you can't see these truths. But while you are criticizing God's servant you could go to Hell. While I was there in the western part of the state, those souls going on in

wildfire religion took issue with the truth. A young man told me after the service that he knew what I was talking about. I quickly told him what it means for a sinner to be brought down to the end of his way with all hope gone and not knowing what God is doing to him nor knowing what God is going to do with him.

He knew absolutely, nothing about what I meant. Friend, don't play with the Lord. Don't try to convince yourself you know what I'm talking about when you don't. Ask the Lord to reveal your lost condition to you. It's the most tragical thing to go out into eternity deceived, thinking you are saved and you are not. A young woman went out into eternity just yesterday. How sad, she went out lost. She is looking back now, wishing she had turned to the Lord when the message was placed in her hands. But she cannot come back to warn you. I would that our church members had a true zeal for the Lord. Many of you have such a great zeal, as I told that preacher there in the mountains.

Yes, we have brought souls into the church and they have never been awakened to the fact they are lost. And just as the Jews of Paul's day were ignorant of God's righteousness, and went about to establish their own righteousness, (Rom. 10:3), so have our church members of today gone about to establish their own righteousness. Now you year what the Word says about your righteousness; "But we are all as an unclean thing, and all our righteousness are as filthy rags;" (Isa. 64:6). Now that is the Word of God on you and your so-called righteousness. The literal interpretation of the term "filthy" is menstrous. In other words, God calls you in your natural state just a menstrous rag. Only a heart deceived by the Devil and itself boasts of its goodness. You are totally depraved and you are going to admit to God that you are long before the Lord saves you. If you ever see that you are a totally depraved and menstrous rag before God, you'll shut your mouth and quit criticizing the messages. You take issue with my messages because you are blinded by the god of this world, (II Cor. 4), and you have to do his bidding. Did you ever stop to think about that? You not only are totally depraved, but you are a child of the Devil.

Yes, you church members have a great zeal, or earnest desire, but it's not according to Divine knowledge. You are carrying on in your church. Jumping up shouting and hollering "amen" before the preacher can finish his statement. You'll say "amen" to the fact a sinner has to be brought to the end of his way before he can be saved. But you know absolutely nothing about being brought to the end of your way and Christ being revealed to your heart. I weep for you, knowing your deceived heart. If you knew my Lord I could find fellowship with you in Christ. You say you are saved but you don't love to talk about Christ. You are taken up with some material thing in the church, some program, or some
