

# High School Class Reunions "Popping Up" Everywhere?

Everywhere I turn there seems to be a reunion popping up. Myers Park High School held its class of '75 reunion last weekend, for instance.

The 1965 graduates of West Charlotte Senior High School are making plans for their 20-year reunion. (All interested meet Saturday, July 13, at 3 p.m. at the Belmont Regional Center, 700 Parkwood Ave., or call 332-2889 and ask for Marian Moses Flowers.)

I finally found out about my high school class reunion. The '75 class reunion of West Mecklenburg High School will be held at the Marriott on I-77 August 24.

An Ad Hoc Committee to Stop Pornography in North Carolina has been organized. Chaired by Rev. Joseph Chambers, senior pastor of Paw Creek Church of God in Charlotte, the committee is an outgrowth of Concerned Charlotteans, a group of citizens dedicated to erasing debasing pornographic materials from the community.

The Ad Hoc Committee will be involved with N.C. legislators, the district attorneys and law enforcement agencies. Every church denomination will be invited to participate as well.

In a recent press release from Rev. Chambers, he stated: "The time has come and our citizens are ready to stop pornography in the state of North Carolina. We can no longer tolerate the victimization of our women and children. Neither can we tolerate the addiction of our men to the mind-controlling, sexually stimulating smut being unleashed on them."

For more information about Concerned Charlotteans Against Pornography or the Ad Hoc Committee To Stop Pornography in N.C., call Rev. Chambers at 394-7191 (office).

When two million couples are married and one million become divorced, it is time to talk. The United Family Services realizes the threat to the family structure because of the high rate of divorce in the United States.

The Services and the YWCA will sponsor a series of seminars for parents and their children on divorce and separation.

Going through a divorce or separation is not usually an easy matter on the part of the parents or children. The series, which begins July 16, will run for six consecutive Tuesdays from 8:30-8:30 p.m. at the YWCA, 3420 Park Rd., will feature a professional staff who are members of the Family Life Enrichment division of United Family Services.

They will lead separate peer groups for parents and children. Beginning with a general look at the

separation and divorce process, participants will move towards discussing

their specific feelings about and understanding of separation and divorce in

their families.

For more information about the six seminars, call Sally vander Straeten at the United Family Services Building, 332-9034, weekdays from 8:30 a.m. until 5 p.m. The series is open to the public and the cost is \$15 per family.
