U.S. SAVINGS BONDS FOR EDUCATION GROW ALMOST AS FAST AS KIDS DO.

Is it ever too soon to start saving for college? U.S. Savings Bonds grow quickly, so they're an ideal way to save.

Buy Series EE U.S. Savings Bonds for half their face value. If you hold them five years or more, you'll earn competitive, market-based interest, compounded semiannually, with a guaranteed minimum return.

U.S. Savings Bonds are exempt from state and local income taxes, and they're federally tax-deferred. And if Bonds are used to pay for higher education, there may be an additional federal tax advantage.*

Buying U.S. Savings Bonds is easy. Buy them through your employer's U.S. Savings Bonds Payroll Savings Plan — or at your bank — every week, every month or every payday.

Take the first step to your child's higher education. Ask your employer or bank for the free booklet,

"U.S. Savings Bonds for Education."

Or write: U.S. Savings Bonds for Education
Department of the Treasury
Washington, DC 20226.

For current rate information, call
1-800-4US BOND • 1-800-487-2663

*This advantage is explained in a booklet entitled "U.S. Savings Bonds for Education," available from your payroll office, financial institution or the Department of the Treasury. Please read it thoroughly for information about income limits, registration and other restrictions before investing for this purpose.
