**Working At
McDonald's® Can
Seriously Affect
Your Growth.**

Just ask Phil Hagans about the many career opportunities available at McDonald's. He was 19 when he first stepped behind the counter as a crew person. Just three years later, he was promoted to Store Manager.

Today, Phil is a successful owner-operator who is deeply committed to helping others. And that's not surprising because McDonald's believes one way to give to the community is by giving talented people the chance to grow.
