# Play A Part In The Biggest NFL Game Of All Time. Help The Carolinas Win A Franchise.

After years of waiting, planning and waiting some more, the Carolinas bid for an NFL franchise is nearing the end zone. We finally have permission to raise money for the finest privately-funded stadium ever built.

## We Can Do It With Your Support.

To win an NFL franchise, the Carolinas must show that we have the best fans in America. We can't win without you. You're part of the team.

## Here's The Game Plan.

Fans across the Carolinas will lead the charge by securing Permanent Seat Licenses (PSL). A PSL provides the buyer the permanent right to purchase season tickets for the Carolinas new NFL franchise. The funds generated through the sale of PSLs will go toward building the stadium.

## The Rush Is On.

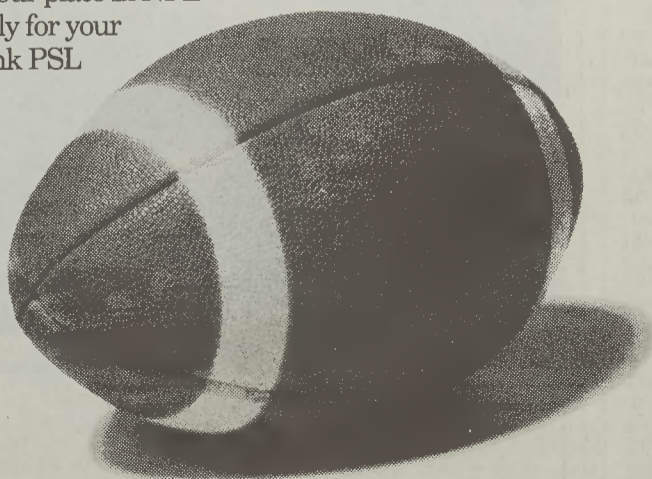

On June 28, you'll get a shot at getting the best seats in the house. Permanent Seat Licenses will be determined on a first come, first served basis. The sooner you apply, the better your chances of securing a seat. If you need help financing your PSL, don't wait, rush to NationsBank today!

## Secure Your Place In NFL History With A NationsBank Loan.

To help make the dream of a Carolinas NFL team a reality, NationsBank is offering a special PSL loan program for fans like you. We can help you pay for your PSL with an unsecured loan or line of credit. These loans are offered at any of our 424 banking centers in the Carolinas. Permanent Seat License applications will also be available.

Should the Carolinas be awarded an NFL franchise, it will be a historic occasion. Besides being exciting to watch, an NFL team will create new jobs and bring a new sense of pride to the Carolinas.

To secure your place in NFL history, apply for your NationsBank PSL loan today.
