

# Review: 'Tumbling' first-rate

Continued From 1B

of race relations in the North as people in the neighborhood come to terms with the reality of how they are viewed as blacks caught in the great migration from the South. The author, through her characters, makes a valid statement, that is at once humorous and thought-provoking.

The reader will fall in love with Fannie and Liz, two young women so alike, yet so different. Liz, shy and retreating, is left horribly scarred by

her abandonment and uncomfortable in her new home which includes one of her aunt's former paramores. Precocious Fannie, blessed with the gift of second sight, feels her adopted home is her birthright

McKinney-Whetstone

"Tumbling" is a wonderful work that is sure to capture the reader's imagination and should be among the summer's "must reads."

Beautifully written, McKinney-Whetstone's first work reveals a major talent, capable of propelling her into the ranks of the great contemporary writers.

McKinney-Whetstone will be in Charlotte on Wednesday at 7:30 for a book signing and reading at Barnes & Noble on Sharon Road.

**Kids!**

**PEOPLE WHO MAKE THINGS HAPPEN.**

"Black people have got to pull together globally to fight racial injustice."  
—Randall Robinson  
Executive Director  
TransAfrica, Inc.

Randall Robinson leads TransAfrica, the 15 year-old lobbying organization dedicated to the needs of African and Caribbean countries. By moving African and Caribbean human rights issues to the top of the U.S. foreign policy agenda, Robinson and TransAfrica continue to work toward equality and peace for Black people around the world.

That's why Anheuser-Busch supports the work of TransAfrica, just as we support other educational and social programs, community projects and minority businesses.

At Anheuser-Busch, we're committed to a better quality of life. For everyone.
