Improving Home Improvement

These are just a few of the reasons that make Lowe's a great place to work. But don't take our word for it, just ask one of our 130,000 employees!

Our forward-thinking management team knows that when you succeed, we all succeed. So, if you're looking for an outstanding career opportunity without limits, then consider Lowe's.

Experience what it's like under our roof with the following outstanding opportunities currently based in Wilkesboro, NC but moving to Mooresville, NC by 2004:

#### CAREER DEVELOPMENT SPECIALIST (JOB ID #10006, 10343, 10364)

Under the direction of the Manager of Career Planning, the Career Development Specialist will be responsible for defining organizational competencies, ensuring employee goals are aligned with strategic business objectives and working with Organizational Development to drive development throughout the organization through communication and training. A Bachelor's degree or equivalent experience is required; Master's degree preferred. Position also requires two to three years experience in Organizational Development and/or Career Planning, excellent organizational and communication skills and knowledge of Microsoft Word and Excel.

#### MANAGEMENT DEVELOPMENT INSTRUCTIONAL DESIGNER (JOB ID #10865)

The Instructional Designer designs, develops, delivers, executes and measures training to fulfill identified training needs. The Instructional Designer serves as a consultant for our store operators and provides meaningful, cost-effective and creative training alternatives. This position requires a Bachelor's degree or equivalent store management experience. Potential candidate must demonstrate a working knowledge of Microsoft Office Suite. Experience in designing and delivering formal training a plus, experience within Lowe's Management Training Programs a definite plus.

#### SALES INSTRUCTIONAL DESIGNER (JOB ID #10460)

Under the direction of the Manager of Sales and Product Knowledge Training, the Instructional Designer will assess training needs and develop, implement, and evaluate Sales, Product Knowledge and Customer Service training for store sales employees. A Bachelor's degree is preferred. Potential candidate must be able to deliver training via satellite broadcasting, print materials, web-based training, eLearning and vendor training. Candidate must be able to design training for products, sales and service. Store management experience is a plus.

#### TRAINING SYSTEMS SUPPORT ANALYST (JOB ID #10246, 10390, 10659)

The Training Systems Support Analyst will identify and assess training programs provided by other Training & Development departments, providing reports and measurements for our internal partners relating to training metrics. A Bachelor's degree is preferred. Potential candidate must demonstrate an in-depth knowledge of Microsoft Office, Crystal Reporting, PeopleSoft and other documentation applications while keeping technical skills current. 1-3 years experience in supporting systems/applications preferred, this includes data validation, maintenance support, report creation and user support.

#### MANAGER ORGANIZATIONAL DEVELOPMENT (JOB ID #10461)

The Manager of Organizational Development is responsible for providing the direction for a staff who designs and implements employee surveys, performance management, external training and change management. A Bachelor's degree or related experience is preferred. Requirements include: 3-5 years experience in an OD function completing assessment, development, performance management, change management and succession planning and three years Managing an HR/OD staff function. An advanced degree in Organizational Psychology, OD or HR is desired.

For consideration, we strongly encourage you to apply on-line by visiting us at [www.lowes.com/careers](http://www.lowes.com/careers). If you do not have Internet access, send your resume indicating the appropriate Job ID number to our Resume Scanning Service:
