## The Heritage Road Company

presents "The Black Medallion"

in Gold, Silver, Antique Bronze, Merlingold  
A Life Gift

The design and theme of the medal, Heritage Road, are active moving scenes of slavery, capsulating the story of "forced leavings (from Africa) without farewells", perilous journeys, hopeless arrivals, into a new world fighting for survival only to earn limited freedom.

Let us never forget, the struggle goes on!

The artist, sculptor, poet, medallion creator, Oliver LaGrone (1907-1995), son of a slave, fought endlessly in his lectures, for full equality
