

Publisher markets to urban readers

Continued from page 4B

"People will be able to pick up a book by us and know it's our book by the realness of the story. We're going to tell the stories of the streets but we promise the reader a message."

The release of Danielle Santiago's "Little Ghetto Girl" will be 2 of a Kind's first foray into the publishing world. Santiago's book will be re-released at For Sisters Only April 3-4.

"Little Ghetto Girl" is the first of a three-part series based on the streets of Harlem. After Santiago's debut, 2 of A Kind Publishing will distribute 5,000 copies to booksellers across the country.

"From there, the sky's the limit," said Muhammad. "Danielle is very special, in that she tells a good story from her own life experiences. And she has a look which appeals to a lot of people."

Dont drive our water quality down the drain.

Never dump used oil or other automotive fluids down a storm drain.
The Charlotte-Mecklenburg storm drainage system empties directly into our lakes and streams.
If you see someone polluting storm drains, report it immediately.
