UNC CHARLOTTE
CHARLOTTE RESEARCH INSTITUTE WALKWAY
CODE 40076 ITEM 303
SINGLE-PRIME GENERAL CONTRACTOR PRE-QUALIFICATION
SUBMITTAL

Pre-qualification submittals from licensed General Contractors for the construction of a walkway connecting the main campus to the Charlotte Research Institute at The University of North Carolina at Charlotte will be received by Ms. Joyce Clay, Facilities Management Annex on the UNC Charlotte Campus, 9201 University City Blvd., Charlotte, NC 28223-0001 no later than 4:00 PM on Friday, July 22, 2005. Prior to that time, pre-qualification submittals may be delivered to Ms. Clay at the same address provided above. Applicants are to provide three (3) complete copies of the pre-qualification submittal.

An electronic copy of the Contractor Qualification Statement Form may be downloaded from <http://facilities.unc.edu> by selecting "Charlotte Research Institute Walkway Pre-Qualification Submittal Form".

The University reserves the unqualified right to reject any and all pre-qualification proposals.

ADVERTISEMENT FOR BIDS

Sealed bids for the project entitled Sunshine Bostic Road, Water Line Extension will be received by the Town of Forest City at 2:00 p.m. local time July 14, 2005 in the Town Hall Council Board Room and then publicly opened and read aloud.

THE PROJECT GENERALLY CONSISTS OF the installation of approximately 11,975 LF of 8-inch ductile iron pipe (CL 350) water line along with all appurtenances along Sunshine Bostic Road, north of Forest City in Rutherford County.

The Contract Documents may be examined at the following locations:

McGill Associates, P.A. Asheville, North Carolina
Associated General Contractors Asheville, North Carolina
Associated General Contractors Charlotte, North Carolina
F. W. Dodge Charlotte, North Carolina
F. W. Dodge Greenville, South Carolina

Copies of the Contract Documents may be obtained at the office of the Engineer, McGill Associates, P.A., located at 55 Broad Street, Asheville, North Carolina 28801 or Post Office Box 2259, Asheville, North Carolina 28802 upon payment of \$60.00 for each set. There will be no refund to any party for Contract Documents so obtained.

Bidders and other interested parties should note that prequalification of equipment manufacturers by the Engineer prior to the bid opening may be required for this project. Equipment prequalification requirements, if any, are described in the Contract Documents.

A certified check or cashiers check payable to the Town of Forest City or a satisfactory Bid Bond executed by a corporate surety licensed under the laws of North Carolina to execute such bonds in the amount equal to five percent of the total of the bid shall be submitted with each bid.

The Owner reserves the right to waive any informalities or reject any or all bids. The Owner reserves the right to award a contract to the lowest, responsive, responsible bidder.

The successful bidder shall be required to furnish separate, 100 percent Performance and Payment Bonds in compliance with North Carolina General Statutes Section 143-129 and of Article 3 of Chapter 44A. The Performance Bond shall be in full force and effect for one (1) year after the date of final acceptance of the project by the Owner.

The bid deposit shall be retained by the Owner if the successful bidder fails to execute the contract or fails to provide the required bonds, as stated above, within ten (10) days after award of the contract.

Each bidder must be appropriately licensed as a Contractor in the State of North Carolina as provided in General Statutes Chapter 87. Each bidder shall make positive efforts to use small and minority owned business enterprises on this project.

A conditional or qualified BID will not be accepted.

Charles R. Summey, II

Advertisements For Bids

BIDS

Notice to Bidders

Sealed Bids will be received under a Single Prime contract for Fire Station #37. Project Number 512-04-051 until 3:00 pm on 28, July 2005 in the Engineering and Property Management 12th Floor Conference Room 1203, Charlotte-Mecklenburg Government Center (CMGC), 600 E. Fourth Street, Charlotte, North Carolina 28202-2844, at which time all bids will be publicly opened and read aloud.

The scope of work includes but is not limited to the construction of a new one-story 11,157 square foot fire station consisting of three bays, sleeping quarters, a kitchen/dining area, offices and other storage and support spaces located on the new site on 13828 York Road, Charlotte, North Carolina. The new building includes fuel dispensing and other special systems. The site work includes clearing and grading, paving, fencing, landscaping, utility systems and other associated work.

An open pre-bid meeting is scheduled for 12 July 2005 at 1:00 pm in the CMGC Conference Room 1203 for prospective bidders to present questions and familiarize themselves with the project. At this time the Owner will also review preferred brand alternates and their performance standards for approval on this project.

In accordance with General Statute GS-133-3, specifications may list one or more preferred brands as an alternate to the base bid in limited circumstances. Specifications containing a preferred brand alternate under this section must identify the performance standards that support the preference. Performance standards for the preference must be approved in advance by the owner in an open meeting. Any alternate approved by the owner shall be approved only where (i) the preferred alternate will provide cost savings, maintain or improve the functioning of any process or system affected by the preferred item or items, or both, and (ii) a justification identifying these criteria is made available in writing to the public.

In accordance with GS 133-3, the following items are being considered by the Owner for this project: stainless steel casework.

Justification of any approvals will be made available to the public in writing no later than 7 days prior to bid date.

Copies of the Bidding Documents may be obtained from the 14th Floor receptionist by paying \$50.00 (non-refundable) to the City of Charlotte Engineering and Property Management, CMGC, 600 e. Fourth Street, Charlotte, NC 28202-2844.

Bidders must have proper licenses under the state laws governing their respective trades at the time of the bid submittal.

The City of Charlotte reserves the right to reject any or all bids and to waive informality.

The estimated cost for this project is \$2,219,780.

For more information contact Susana Vang, at 704 353-0994.

Advertisements For Bids
