

'Four Brothers' definitely for men only

Continued from page 1D

own brothers who had gotten caught up with notorious gangster Victor Sweet, an evil man who makes his workers share their women with him and eat off the floor in his restaurant.

This leads to an icy showdown that points out why the Mercer brothers aren't to be messed with.

The plot makes very little sense. Honestly, in a city like Detroit, how much trouble

can a foster mother cause for some gangsters? And having someone set out to kill this little white lady just seems too over the top.

The chemistry between the brothers is the only thing that makes the movie watchable. Wahlberg commands the screen with his crass portrayal of Bobby. Gibson is great

eye candy, but he keeps his shirt on the entire film. That's why I know this movie is for guys.

Benjamin seems a little uncomfortable in his first starring role. He sounds like he's from Atlanta though he's supposed to be a Detroit native.

The movie is mindless fun.

You'll be entertained but only if you like to see people getting shot and beaten to a pulp. Don't expect this movie to move along logically, because you will be extremely disappointed.

Directed by John Singleton
Starring: Mark Wahlberg, Andre Benjamin, Tyrese Gibson, and Garrett Hedlund

A&E's got reviews, interviews, news and even some blues.

Murphy divorces

THE ASSOCIATED PRESS

LOS ANGELES — Actor-comedian Eddie Murphy's wife filed for divorce last week, citing irreconcilable differences, his publicist confirmed.

Murphy and his wife, Nicole, married in 1993 and have been separated since July. They have four daughters and one son, ages 3 to 15, according to divorce papers filed in Los Angeles Superior Court.

"The welfare of our children is our main concern, and their best interest is our first priority," the 44-year-old actor said in a statement issued through his publicist, Paul Bloch.

Great women. Great characters. Great music.
Some things are always in season.
