

# FIND THE RIGHT MATERIALS RIGHT AWAY. PREMIUM-CUT LUMBER FOR THE PERFECT PROJECT.

## THE BEST CUT FROM THE BEST PART OF THE TREE

The Millstead process uses the heart of the log to give you better lumber. Fewer knots, bark and warped wood means less time searching for the right board.

YOU CAN DO IT. WE CAN HELP.™

## HARDWOOD BOARDS

Build your wood project to last. Our boards offer strength, plus nice grain and color. Ideal for furniture cabinetry and shelving.

## FURNITURE GRADE OAK & POPLAR
