

# CUSTOM DECOR UPDATES MADE EASY

## ▶ THE DETAILS OF MOULDING

### FINISHING

- Moulding families are chosen with a consistent look in mind and consist of casing, baseboard and crown mouldings that fit together in design and style.
- Using a variety of larger moulding profiles can dramatically upgrade the look of a room.

### PRO-PACKS

- The easy way to add decorative mouldings to your home with pre-matched families.
- Available in 14' case moulding and 12' base board sizes for even and fewer cuts.
