Corinne Alisha Friday*

Always remember to put God first as you continue the family tradition of attending UNC-G. Balance the hard work with some relaxation.

The time has come to let you try out your wings. To follow your path with the tools you've been given. You have grown into a very mature, responsible young man who has made good decisions. Remember to always lead by example, thinking before you act, and stay true to yourself.

Words cannot express how very proud we are of you and all your accomplishments. We know if you continue to "stay focused" your accomplishments won't stop here!

With all our love,
Mom and Dad
